## Chairman's Report

Welcome to the June magazine.

You may have wondered why the Queen's actual birthday was not celebrated by the lighting of a beacon.

At the April Parish Council meeting it was decided not to light the gas 'beacon', but to have a more positive approach by making the village 'fit for a Queen'.

We want to organise the village into areas, and with volunteer  help, keep them tidy, especially in June and July. The Council and Coddington Community Spirit have already volunteered so please if you feel you can help in any way, contact the Council, we will then allocate an area/road.

The village will look at its best to celebrate Her official birthday. My thanks to anyone who is already helping.

We will also plant a tree within the village to mark the event.

Thanks to Coddington Garden Club for the spring tidy of the Millennium Garden.

There will be celebrations within the village to celebrate The Queen's official birthday.

Coddington Community Spirit is organising a picnic (picnic tables on the Community Centre's car-park, inside if wet), together with sports activities on the school field on Saturday 11<sup>th</sup> June, 1pm-3.30pm

Cream Teas will be available at the Church at the same time.

There will also be a Hog Roast at the Inn on the Green from 7pm

This coincides with the judging of the Best Kept Village competition, June 6<sup>th</sup> - July 22<sup>nd</sup> so I hope everyone will do their bit in making the village look its best and enjoy the celebrations.

In April the New Mineral Local Plan was open for consultation. This was an opportunity to challenge the plan as submitted by NCC, on the grounds of 'soundness and legality'.

The Council submitted its objection of the soundness of the plan to include Coddington in the NMLP on the grounds of traffic re-assessment and apportionment of gravel. This and all other material have gone to the Inspector and we now wait for the public examination when I hope to be called to speak on the Parish's behalf.

However what concerns the Council is that the documentation to challenge the plan was extremely difficult to access and required IT knowledge and skill. We have sent a letter to the Planning Team objecting, that the procedure and IT, were difficult to use.

The trees to commemorate County Councillor Mr. Vincent Dobson and Parish Councillor (chairman) Mr. David Hedge have been planted. There has been tidying of trees including branches overhanging Balderton Lane.

The Annual Parish meeting was held on Thursday 28th April at the Village Hall. Thanks to all those who attended, both the village organisations and residents. Organisations reported on their year, followed by an open forum. Subjects included traffic difficulties, traffic speed and the graveyard.

Reports can be seen on the village website <http://village.coddington.org.uk>

One important matter discussed was the ownership of the Community Centre by the Parish Council.

On 28<sup>th</sup> January 2015 to the Council held an extraordinary meeting to discuss the Council owning the Community Centre, rather than leasing it from NSDC. Residents at that public meeting welcomed this development from NSDC, as long as it would benefit the village and not bring about financial difficulties.

The Parish Council has met NSDC who agreed to outstanding maintenance issues, which has been completed. The document of transfer called the Overage Deed was then subject to legal scrutiny.

There has been some delay as the Council has been in negotiation with NSDC (on legal advice) on the length of time the overage deed would apply.

The Parish Council agreed to (subject to public endorsement at the forthcoming Annual Parish Meeting) an overage period of 30 years with 50% of selling price or market value payable on every disposal during that time.

This was endorsed at the Annual Parish Meeting.

Cllr Dobson, Parish Councillors and NCC Officers have been working to resolve the issue of footpaths to enable walkers to access Beacon Hill Conservation area via the bridge under the A1, and the land owner's concern for privacy and safety (problems of motor bikes, graffiti and dog fouling).

Cllr. Dobson had warned us that this would take time and so it has proved. This is not yet resolved but a public meeting has been called for on WEDNESDAY 27<sup>th</sup> JULY, 7pm AT THE VILLAGE HALL for a progress report.

The bus service into town has reverted to its old route because there were not enough passengers to warrant a permanent alteration. Whilst this is disappointing for some passengers we are very lucky to have a half hour service. This is an excellent service and I hope residents will continue to value and use the service.

The new PCSO Officer is Katie Hyde and I welcome her to our village. One issue we are discussing is parking for the school. School parking is a not a new problem and affects most schools.

However whilst the short -term nature of parking is recognised, dangerous parking cannot be accepted, including double parking, blocking residents' access or causing obstructions on verges.

She has reported on some anti social behavior, which was dealt with promptly.

There has been a comment on horse-riding at dusk. It is always helpful if horse riders at night wear reflective clothing and carry lights as shown in the Highway Code.

The Council has donated funds to Coddington Scouts towards the cost of re-wiring the building, to Coddington School to support the DARE programme and to the Guides for a tent. It is also supporting Coddington Village Hall in the second phase of refurbishment.

Cllr Parrett and Cllr Hedge have completed NSDC's Survey of Open Space Provision. It had been a sizeable, but valuable task, identifying and categorising 35 pockets of land, most of which are in private hands. The Council is now identifying potential community assets.

Cllrs Mrs. Wendy Parrett and Mr. R. O'Donnell have worked to resolve of the smell at the junction of the A1/C208. It is a complex issue but there has been improvement.

I would like to welcome Mrs. Jane Hedge to the Parish Council.

The Council hopes that you will come and support all the celebrations for the Queen's official birthday.

Linda Cox. Chairman.

## **Speed Watch**

In spite of all the traffic control measures introduced over the past few years, the Parish Council is aware that there is still a problem with speeding vehicles and lorries driving through the village.

The Parish Council has been offered the loan of a hand-held speed gun which can be used by a group of residents with the help of our local PCSO, to record the registration numbers of offending vehicles.

A few volunteers are needed who would be willing to take part in the traffic watch sessions and attend initial training on health and safety and the use of the gun.

If you can spare a few hours to help, please get in touch with the Parish Clerk.

# **ALL SAINTS' CHURCH CODDINGTON**

**Rev'd Phil Smith writes:**

Spring has sprung and we are now heading into summer and so it is with the Church year. Even though the joyous season of Easter has been left behind, its wondrous message of the triumph of life over death, new beginnings and hope eternal never shall.

During the month of May the Church celebrated both the festival of Pentecost, followed a week later by the festival of the Trinity. Pentecost, a time when Christians celebrate the gift of the Holy Spirit, the third party of the Trinity of Father, Son and Holy Spirit. Pentecost is also considered the birthday of the Christian church and the start of its mission throughout the whole world.

As you can see it is both a busy and exciting time for all involved in the Church and especially in the life of your church of All Saints' here in Coddington. Revd. David Anderton's move to pastures new in Essex has led to a rethink as to how we might best continue to serve our community of Coddington and beyond. Following much prayer and several meetings, the DCC team, who is responsible for the life of the church, has been reinvigorated, with its members taking on new roles and responsibilities which will not only ensure continuity but also lead to future opportunities for mission and growth.

I am pleased to inform you that Yvonne Hayman has been elected as our new church warden and Mike Bache is once again actively involved in leading worship as a member of our ministry team.

We look forward to seeing you all either at our services, or at church events and assure you of a warm welcome in our Lord's name.

Every blessing.

Rev'd. Phil.

## **Litter**

Thank you to all those who have been helping to pick up litter; it is an on-going problem, particularly on the main road through the village.

The annual Best Kept Village Competition is upon us again, and extra help for that will be appreciated, but we also want the village to look its best all year round for the benefit of the people who live here.

Everyone can do their bit, by making sure that no litter is dropped.

Recently, a Thorpe Oaks' resident had to take her dog to the vet because a chicken bone which the dog had found in a discarded fast food pack became lodged in its throat.

Please take your rubbish home or deposit it in one of the litter bins.

## Village Hall News

**Village Ventures** continue to add to our new chair fund so we were really pleased when Rob Heron and the Tea Pad Orchestra came to perform to a full house in March. We have received the “menu” for performances for next season but we have to name about twice as many acts as we want to have performances to give the organisers chance to spread them about so you will have to wait till September to see what we are given!

From May the **Library Access Point** changed to being open twice a month on Wednesdays because the Saturday openings were not popular. There are books to borrow and books for sale – donations welcome – come and see for yourself.

**Improvements.** We’ve been working on the plans for upgrading the older part of the hall including a refitted kitchen, the plans are on display in the main hall – comments and suggestions are welcome. Our County Councillor Maureen Dobson very kindly gave us a donation towards kitchen equipment for the new kitchen. There are now “pump flasks” available for use which saves carrying hot kettles around and means tea/coffee can be available for longer periods without people having to stand about with kettles and tea pots at the ready.

**Maintenance** mornings on the second Tuesday of the month have been well attended, an assortment of minor jobs being done or are in progress including painting the main hall (same colour!) de-scaling the water boiler, changing the thermostat on one of the “hot taps”, refitting the blackout blinds, cleaning the drains (not a popular job!) etc. Come and join us – tea and bikkies provided! Phone Dave on 708781 to check the date.

The **AGM** will be over by the time you are reading this newsletter; we are pleased to say we made a surplus of over £3000 last year – which will be most useful for the forthcoming improvements.

Chairman Bernard Allen, phone 703360

## Coddington WI

Coddington WI welcomes new members. We meet on the second Tuesday of every month in the Coronation Hall. Posters giving details of our next meeting are displayed around the village so if you think you may be interested in our speaker just come along and try us out.

We re-elected our president, Glen Sheppard in February at our AGM. Pam McVay explained our financial statement and members then enjoyed refreshments of crudités with several different savoury dips. A savoury dip was the competition for the month and Gill Southgate's dip came first.

After our AGM we have our birthday party in March, and this time we celebrated 82 years since our WI was formed. We invite WIs from within our local group to our party so representatives from Collingham, Dorewood, Winthorpe and N&S Clifton joined in our festivities. We also invite our county chairman, Jane Jefferson, and the staff from county house. Although we keep business to a minimum, we do have a variety of awards to present. Nora Reed was the annual competition winner with Wendy Parrett runner up. County Chairman, Jane Jefferson drew names for our Denman Bursary and Bridget Goodall, Jill Parker and Jan Phillips were the lucky winners. Jane then cut the birthday cake, which had been made and iced by Gill Southgate. A hot supper, with a selection of salads, was served followed by a variety of sweets. During the evening members pondered over a quiz compiled by Jane Hedge, and Pat Hemingway entertained with the history of the song 'Happy Birthday'.

We had a flower arranging demonstration in April. Chris Biddulph, who has a florist shop in Sheffield built a stunning arrangement with carnations and delphiniums. The talk ended with members attempting to create a florists bow from ribbon supplied by Chris. The laughter emanating from the room indicated that not all attempts were successful!!

We have supported various local theatrical groups recently. Several members went to see 'South Pacific' performed by the Newark Amateur Operatic Society and others watched a superb performance of 'Gaslight' at the Robin Hood theatre.

When you join a WI you also become a member of the County and National groups. Although not many of our members attend National events several do take advantage of county meetings. Some members went to the Spring

Council meeting in Nottingham, where the guest speaker was the antiques expert Paul Hayes. Paul gave a very entertaining talk about how he came into the antiques business and his work in the media.

If you think the WI sounds interesting do come along to one of our meetings and try us out. You do not have to join immediately, so it will only cost you 50p for refreshments of tea or coffee and cakes, and you will be made most welcome.

### **FOOTPATHS AND TRACKS**

The Parish Council has been asked to request that users of Footpath 5, which runs northwards from Parklands and through the wood, respect the surrounding properties by adhering to the designated route. There is no entitlement to create shortcuts, or fresh pathways, by crossing adjoining private land. Also, please help keep all our footpaths and tracks free from litter. Dogs must not be allowed to stray from the public footpath and dog excrement must always be bagged and binned. Thank you for your assistance.

## Coddington History Group

By the time you read this we will have been on a visit to Lincoln Castle, this replaced our May speaker event, recent talks were Southwell Workhouse which most of us had already visited, then St Anne's Allotments in Nottingham which most of us hadn't and had no idea how large they are and of their history as "pleasure gardens" for the dwellers of the overcrowded city. Lastly in April a good crowd came to enjoy Stephen Gay's marvellous slides of the Hope Valley line; he really goes to extremes to get such excellent photographs sometimes staying out all night in order to get the early morning shots – he does not drive so is reliant on public transport. Our next speaker event will not be until **Thursday 15<sup>th</sup> September** when we will have two more short talks by members: Jane Hedge with "Coddington's WI during WWII" and Fred Reed with a more general talk on Coddington in WWII.

Some members have done a marvellous job in transcribing the marriage register so now we will be able to accurately date the wedding photos (and name a few anonymous spouses) that we sometimes display in the church. The graveyard survey is complete and when the church notice board at the south gate has been refurbished we can put an information board on the reverse of it to help folk find their ancestors' graves.

Another project that is ongoing is to find and record the benchmarks in the village – the old maps show many more than now exist. Benchmarks used to be used by the Ordnance Survey and others for surveying purposes – they show the height above sea level. Have you seen any? There's one at the church and one at the Plough for instance. This information will go onto the website in due course.

On the Newark Advertiser website they have a photographic archive which you can search and browse; I found there are quite a number of Coddington related ones and they kindly let us have digital copies. Some are black & white and quite old, others are colour and much newer and include a lot of group photos principally football, school and Brownies. There's a lot of names need putting to faces!

On **Saturday 10<sup>th</sup> September** we will have an **Open Afternoon** at the village hall with display stands, a show of some of our photographs and our archives will be on show. Paul Hatherley is adding to our information on village sports, these included cricket, tennis, football and darts - he would be grateful for any help or information.

**VOLUNTEERS NEEDED**

Every year, in addition to clubs and societies, the village is treated to an excellent range of entertainments and events by All Saints' Church, the Village Hall, Community Centre and Scout Group. The attendance levels, unfortunately, have varied but all our hard-working groups do need more support, from across Coddington, to sustain the core elements of our community. They cannot continue indefinitely without fresh faces. Some new helpers do come forward but more are required. If you can spare some time to assist please look at group/society reports in this issue, or at the list of contributors on Page 2, and make your choice.

## Would you like a Garden Waste Bin?

Newark and Sherwood District Council are expanding their chargeable garden waste service so that every property in the district can have the service.

From the 1<sup>st</sup> April 2016 anyone in the district can get a brown bin for just £30 for the year.

For £30 a year you will get:

- A brown bin
- An all year-round collection service - every two weeks between March and November, and monthly from December to February
- Additional bins are available at £30 each
- The service runs from 1 April to 31 March.

If you are interested in the service you can pay in advance so that the service will start without delay from the 1<sup>st</sup> of April, with the brown bin being delivered in the last few weeks of March.

Please contact Rushcliffe Borough Council (who administer the service) on 0115 981 9911 to arrange payment.

### **Do you believe in Magic**

The performance of Morgan and West at the Village Hall on Saturday 14<sup>th</sup> May was a fantastic evening of light hearted entertainment and illusion.

If you did not believe in magic you would have left the performance wondering 'HOW DID THEY DO THAT'

The senses demonstration by Mr Morgan was outstanding and amazing while the memory display by Mr West was astounding and brilliant to say the least.

Combined with the other displays of illusion and sleight of hand combined with the audience participation we were amazed and amused throughout the evening.

A brilliant evening - Thank you

# 1st Coddington Scout Group

## Group Update

We are still receiving a lot of interest in joining the group. Our Scout section currently has 23 members but is set to exceed 30 next year. This will see the group expand as we will need to create a second Scout Section to handle the additional numbers.

Our current project is to rewire the hall in order to meet safety regulations and our future needs. We have been allocated a grant but need to progress the work.

We have a full colony of Beavers with 25 young people enjoying a full program of activities run by our leader Kerry Watson assisted by Nicola Zadora and Richard Simcock.

The Beavers have been out on a hike during the evening which qualifies as a Night Hike. They have visited Pets at Home, the new sports centre in Newark and learnt the basics of First Aid.

The Beavers have also had a talk about the RAF from Richard Simcock ( a serving pilot instructor ) and visited the Air Museum.

This year Cubs are celebrating 100 years of Scouting for young people aged 8 to 10 years. The Cubs will be attending a celebration camp at the end of May at Walesby Scout camp where they will have a great time and take part in lots of activities.

The Cubs have been working on the Communicator badge and have taken part in an activity using an amateur radio where they spoke to an operator in the south west of the UK. They have been to the Air Museum and had a talk from Richard Simcock on life in the RAF.

The Cubs have also been learning about Personal Safety.

I writing this time not just for the Scouts but also our newly formed Explorer group whose numbers currently stand at 4 with 2 more to join in October. They have taken part in a number of activities with the Scouts, one of which is still running - the British Canoe Union Paddle Power award. They are being taught how to control the canoe, what to do in the event of capsize and how to look after the canoes.

On the weekend of the 7th May the Explorers took part in their first solo activity, a hike from Bilsthorpe to Kelham Hall and then camp over night in the grounds of the hall. At the end of May they went back to basics by building there own shelters to sleep in for a night, they will be shown how to prepare and cook a rabbit and how to light fires safely in a wooded area with no matches or lighter.

I would like to say how proud all the Leaders are of all the Scouts and Explorers for attending the St Georges Day parade on 24th April in particular Gracie Hamilton one of our youngest Scouts for going up and doing 2 readings in front of hundreds of members from Scouting and Guiding in the Newark District.

## **Fund Raising**

Our current project is the rewiring of the building:

We have signed up with 'EASY FUND RAISING'. For those who shop online you can help. By signing up with Easy Fund Raising participating organisations donate a percentage of your purchase value to your nominated good cause.

It's really easy go to [\*\*www.easyfundraising.co.uk\*\*](http://www.easyfundraising.co.uk) click support a good cause, in search for a good cause type 1st Coddington Scout Group then click support this cause. Fill in your details then off you go search for your retailer and shop away.

You can also do things like add a donation reminder so don't even have to go through the easyfundraising page you can just go straight to the retailers page, just click earn extra donations.

Our next Quiz Night is scheduled for the 16th July, I am please to say that all tables have been sold - should be a good night.

## **Annual General Meeting**

Our AGM will be held on the 14th July at the Scout Hall from 7pm. During the AGM we will be presenting some of the group members with well deserved badges.

Please feel free to come along.

# Coddington History Group

## Churchwarden's Accounts

*Over the years and before Coddington History Group was formed, Hugh Daybell did quite a bit of studying about historical Coddington, transcribing some of the old documents and also analysing some of them. Some years ago he gave us a copy of a document which is his summary of the surviving historical Churchwarden's accounts. This is a slightly edited extract from it. Other topics include sacraments, confirmations, fees, church cleaning and vestments, Vicar's fees, repairs and bells. The repairs are interesting (and topical!) but as I have included Hugh's introduction this time it would be too long for this article so it will have to wait for another issue...*

### Introduction:

The accounts cover 80 years of the life of Coddington church and were kept by the Church Wardens and presented to the Vestry or Parish Meeting, usually on an annual basis. Funding for repairs and for the payments of expenses accrued in managing and maintaining the church came from a local penny rate, on land held within the parish, set by the wardens and collected through the year.

The accounts are consistent in their "ordinariness" – the challenge of maintaining the church and fabric in the 18<sup>th</sup> and 19<sup>th</sup> centuries no different from the present time. The responsibility, as today, appears to rest on the Wardens who appear to represent no particular parish interest but are made up from ordinary members of the congregation, generally having some land and property but not necessarily so. How they came to office is not clear though it is likely to be by election.

The day to day, month by month, year by year details are ordinary and unexceptional - but the simple statements hide a richness of hidden contextual information and interpretative assessment. The whys, whats, hows and whos, links to other social, economic, religious, political changes happening at the time. For example, prices and cost are generally constant over most of the period – a period of nil inflation and yet there were agricultural booms and depressions (industrial impact is less dramatic) throughout this time ...and wars, too.

Many questions will be raised in considering and interpreting the evidence and information (an opportunity for history researchers to delve further). One which appealed to me is the fact that local people (not the "great and the good") invested time and energy in keeping the church running and in good

order - they also had the drive, in cycles, to meet the development needs of the church in times of particular need. Also – funding through the rates. Interesting but with no income from Great and Small Tythes (resolved through the 1760 Enclosure Award?) – essential, especially... given the growth, development and expansion of non-conformity in the area – did they ever default? At some point do need to establish the principles behind the rating system ... and when it came to an end ...

As a basic reference tool I have tried to draw out key elements that are strongly evidential in the returns. This means that some individual aspects may have been missed – though I have tried to pull out items recorded that are interesting or unusual. Have made a comment or commentary but this is obviously a personal interpretation and awaits a more expert opinion, validation and correction.

N.B. All figures are in £.s.d. (pounds, shillings, pence, half-pence and farthings), thus £1.00 is 20 shillings or 240 pence or 960 farthings!!

Some equivalency will be shown throughout and in the commentary. As a starting point it is worth pointing out that the average daily rate for a skilled labourer was 1s 8d.

## **On the Beat with PCSO 8128 Munro**

### **Don't let green fingered thieves spring clean your garden.**

Garden furniture is not cheap and thefts from gardens are a problem all year round, many people seem to take a great deal of trouble in securing their house and the property within it...but what about your gardens? With the array of pots, statues, plants, tools and other valuable items in them security measures should certainly be put in place.

The most effective way of keeping thieves out of your garden is to make life as difficult as possible for them. Reduce the number of places they can hide by keeping hedges and shrubs low at the front of the house, and install motion sensing security lighting in areas that are cast deep into shadow at night.

Gravel is an excellent deterrent as it's noisy when walked on, so will alert you to any intruders, and it goes without saying that ladders and tools should never be left lying around, as not only do they make rich pickings for opportunist thieves, but can be used to break into your home, garage or shed.

Postcode, engrave or property mark anything of value that might be stolen. Hanging baskets can be protected by using secure or locking brackets, take photographs of your garden items - they will be useful to police to help identify your goods and return them to you, should you be unfortunate enough to have them stolen.

Weighty items such as pots, statues and furniture are still potential targets, so fix these to the ground with ground anchoring devices.

It is also important to ensure the perimeter of your property is secure. Check that fences or walls are in good condition so they can't simply be kicked down, Low fencing gives easy access, Fix sections of trellis on top which will break if climbed on, or run thin horizontal wires along the top of fence posts, and grow plants along them. Alternatively, consider bordering the fence with prickly hedges or shrubs, such as climbing roses, hawthorn or holly, which will make an uncomfortable landing for anyone who falls on them.

Gates at the back and side of the house should be the same height as the fence or wall, and secured with at least two good quality padlocks and bolts, check that the hinges are secure so that the gate can't be removed completely.

## M 2 M (Moving to Music)

I discovered M 2 M by chance, just turning up one day to see what a seated exercise class entailed, there weren't too many people there and none of them were wearing lycra so I stayed and have been going to classes ever since.

As a seventy year old, who was never interested in gym at school and has never participated in sports I wondered how I'd fit in, but as the weeks have gone on our class has grown to between ten and fourteen people a week, all trying to stay as fit as we can. Roy, our Newark & Sherwood trainer is about the same age as the class and the majority of our exercises are chair based, but it's amazing how good a workout you get sitting down. If you find the exercise too tiring you just stop until you're ready to start again. Nobody is competing, we're just a group of people enjoying exercising together. But one of the positive outcomes of the class, apart from being fitter, is I now know a lot more people and we've become a group of friends having fun together. All in all it's a 'win-win' situation. **Why not give us a try?**

Classes Monday 10am – 11 am – first Monday of the month at the Village Hall, other Mondays in the Community Centre - £3 a session.

## **Volunteers Needed! - Coddington Community Association**

**Volunteers from village and users of the Centre are needed to help run the charity for the benefit of the local community:**

- *We would like to have a few more Trustees, ideally representing the users of the Community Centre:*
  - *The Trustees meet for just over an hour every two months to ensure that the charity is carrying out its purposes in operating the Community Centre for the benefit of the neighbourhood.*
  - *The vast majority of the work at the Centre looking after users and maintaining building services is carried out by the Centre Manager.*
  - *Occasional leave cover for the Centre Manager is provided on a rota by the Trustees.*
  - *The Trustees are provided with indemnity cover by the Association's insurance.*
- *We also need more volunteers to help with fundraising events at the Centre, including sales of tickets. There are two specific volunteer vacancies, which can be carried out by Trustees or volunteers:*
  - *A new volunteer Treasurer is required to:*
    - *Manage our bank accounts and cheque book*
    - *Ensure due bills are paid promptly and spending is properly recorded*
    - *Provide reports and accounts to the Trustees and Charity Commission*
    - *Run payroll and PAYE for the employee of the Centre*
  - *We also need a volunteer Clerk to work a few hours per month:*
    - *Bank cash and cheques from users of the Centre*
    - *Liaise with the Bookings Secretary to ensure correct invoicing of regular users and for party bookings at the Centre*
    - *Maintain detailed records of income*

Suggestions and comments from the public, users of the Centre etc. are very welcome (as are volunteers or anyone considering becoming a Trustee) and these can be emailed to:

[centrechair@coddington.org.uk](mailto:centrechair@coddington.org.uk).

If you are interested in making a booking at Coddington Community Centre, would like to view the facilities, or need further details please contact Angela on 07985 386638 during weekday office hours or via the village website at:

## Neighbourhood Watch

A few years ago the method for distributing information changed in favour of using modern technology.

All Neighbourhood Watch schemes were registered on the website 'www.ourwatch.org.uk'. In Nottinghamshire we also have the website 'www.nottswatch.com'. Both of these websites are useful sources of information regarding crime in your local area.

The police website can also be used for crime information 'www.police.uk'. From the Police website it can be seen that in March there were 5 burglaries in Coddington. Let's keep our eyes open and report anything out of the ordinary.

In addition there is an application for smart phone users to interact with the police. Information about the application can be found at the website 'www.witnessconfident.org'. The application is called **Self Evident**.

**You are Invited to  
Laxton History Group's Booklet  
Launch and Exhibition**

**Friday 24<sup>th</sup> & Saturday 25<sup>th</sup> June  
at Crosshill Farm, Laxton (at the top of the village)  
2.45pm - 4.30pm on 24<sup>th</sup> & 11am - 3pm on 25<sup>th</sup>**

The project has turned the spotlight on Laxton during the period 1900 - 1920 to give a 'Snapshot in Time' of life for those living and working in the village then. There are four booklets looking at Agriculture, Education, Life in Laxton and WWM as well as educational materials for use in primary schools.

All villagers, friends and family are warmly welcomed to join us at some point during this period to see the results of our efforts.

Light refreshments will be available throughout this **free** event. We hope to see you there.

**TAI CHI FOR HEALTH/TAI CHI FOR BEGINNERS**

People often ask me why I practice tai chi. There are very many reasons - but in a nutshell I do it because it's fun and it improves my health – both physically and mentally. The benefits are vast – tai chi improves muscle strength, flexibility and fitness; strengthens immunity, helps with stress related conditions, aids relaxation, improves co-ordination and balance, gives a sense of well-being and is often referred to as 'meditation in motion'. It also incorporates many principles of Traditional Chinese Medicine.

If you would like to give it a go, come and join me on a Wednesday morning, starting in the New Year. First class will be: 

10.15 am – 11.15 am

Wednesday, 13<sup>th</sup> January 2016

Coddington Village Hall (near the church)

Just pay £5 each time you attend

## Dog Fouling

Dog mess is an eyesore and a health hazard. If you are a dog owner, you have a legal duty to clean up every time your dog messes in a public place, **including public footpaths and any open land** to which the public has access. Always carry a bag when dog walking, and place the used bag in a waste bin. **DO NOT LEAVE THE BAG LITTERING A FOOTPATH** as some people have been doing.

Not only is dog mess unsightly and unpleasant, it can lead to toxocariasis in humans, which can cause serious illness and even blindness, particularly affecting young children. Dog mess on grass paths and open spaces is even worse than on the pavement as it often can't be seen until stepped in, or is spread around over a wider area by a mower, and the parasite eggs in the faeces which cause toxocariasis can survive for many months in the soil.

The Parish Council would like to make it clear that anyone seen not clearing up after their dog will be reported to the District Council or the police. Offenders can receive an on the spot fine of £75 or up to £1,000 if taken to court. **WE APPEAL TO ALL DOG OWNERS TO KEEP CODDINGTON PATHS AND OPEN SPACES CLEAN AND HEALTHY FOR EVERYONE.**
