Chairman's Report - March 2017

Christmas seems a distant past but before welcoming Spring I would like to give thanks for all those who helped in the Christmas celebrations. Thanks to Mr. R .S. Gray and Son for supplying the Christmas tree, Mr. and Mrs. Barber, Mr. and Mrs. C. Parrett, Mr. A. Parrett and Mr. B. Allen for erecting it. A big "Thank You" for all the children who made decorations for the tree and congratulations to the winning decorations. Carols Round the Tree continues to be a great success. Thanks to all those who helped provide refreshments including C.C. Mrs. M. Dobson, Mrs. Jan. Allen, Mrs. Joyce Allen, Mrs. W. Parrett, Mrs. J. Hedge, Mr. B. Wellard and the W.I. The Council would especially like to thank the children and Head-teacher Mrs. T. Caputa. and members of the Community Singers, who provided us with excellent entertainment. Finally, a big thanks to everyone who came.

It is wonderful to see that the Plough Public House has opened. It has been refurbished, providing excellent beer, spirits and coffee. I would like to briefly explain some of the history since it closed and clarify some misconceptions. The Parish Council has always supported The Plough. It supported its registration as a public amenity. The Public House was sold and planning permission was sought to refurbish the Public House, create new apartments, create a new car park in the beer garden and build houses on the old car park. It was the development of these houses and the location of the new car park that the Council objected to. This application went to appeal and permission was granted. Further details can be found on the website.

Residents of Coddington especially value the allotments. There will be no increase in rent and water charges for 2017. Please contact the clerk Mrs. Y. Wellard, for any information you require.

I have been asked to remind dog walkers not to place dog waste in the litter bins in the play area, as it is a health risk. NSDC accept it in all other litter bins.

The Annual Parish Meeting is to be held on 20th April 2017, 7.30pm in the Village Hall. This is a meeting for residents to hear from the village organisations. This will be followed by an open forum to discuss concerns and ideas for future development in the village.

This is also the time when the precept is set. This is the amount of money raised from Council tax to fulfil the Parish Council's obligations. It was agreed to set the 2017/18 precept at £14,560, an increase of 2% on a Band D property, as a step towards restoring the precept income over a six year period to the precept level prior to the Boundary Commission changes.

You can see how this money is spent by going to the website or attending a Parish Council meeting. The Council is able to donate monies to local groups if they apply. Last year we supported the Scouts, the Guides for a tent and the school's Dare campaign.

The Council has supported the Dare campaign over many years. Cllrs Mr. C. Gangel and Mrs. W. Parrett attended the annual presentation. Mrs. Caputa informed attending parents that the Dare campaign had contributed in stopping the grooming of children using on-line sites. A criminal prosecution had been successful. It was the Dare campaign initially, that had given a child courage and confidence to speak out. Mrs Caputa reiterated the importance of vigilance of parents whose children are using the net.

Coddington Parish Council has received a planning application for the temporary use of land for proposed recycling of excavated material from the Newark Sewer Scheme including processing, crushing and screening. The proposed site is on the former airfield south of Newark Auctions, west of Drove Lane Coddington. The Council strongly objects to the site being used in this rural area when there are other sites available. We have safety concerns for traffic on Drove Lane and for the village itself.

The Millennium Garden, at the junction of Old Newark Road and C208 is being tidied and improved, supported by Coddington Gardening Group. Please look for notices of work dates and help if you can.

I look forward to seeing you on my walks around the village.

Linda Cox Chairman

Speed Watch

In spite of all the traffic control measures introduced over the past few years, the Parish Council is aware that there is still a problem with speeding vehicles and lorries driving through the village.

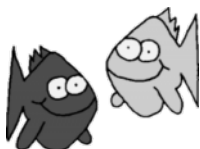

The Parish Council has been offered the loan of a hand-held speed gun which can be used by a group of residents with the help of our local PCSO, to record the registration numbers of offending vehicles.

A few volunteers are needed who would be willing to take part in the traffic watch sessions and attend initial training on health and safety and the use of the gun.

If you can spare a few hours to help, please get in touch with the Parish Clerk.

ALL SAINTS' CHURCH CODDINGTON

Associate Priest Phil Smith writes:

In my seasonal calendar spring always starts on March 1st regardless, which by coincidence is also Ash Wednesday – the beginning of Lent, an Old English word for springtime.

Lent for many Christians marks a 6 week period of reflection focused not only on Jesus, his life and sacrificial death which leads us Easter when we celebrate his return to life, but also a period when we reflect on our own lives. Traditionally Lent has been seen as a period for giving-up things, especially those we may enjoy to excess! I however, like to put a more positive spin on this period, a time when we go that 'extra mile' to help and support those things that really matter to us, in other words a time for generosity.

It is in this light I would like to ask for your support – you will find enclosed in your Village News an invitation to attend a Parish Tea at the Village Hall on Saturday 25th March. This will be the launch of our renewed Promise Programme, so generously supported in the past, which if successful, will enable your beautiful church of All Saints' to serve the people of Coddington and the wider community for many years to come. I am also delighted to add that the guest speaker for this occasion will be Mrs Tamsin Caputa, Head Teacher of Coddington School.

It is my prayerful wish that you will feel able, without obligation, to come along to the event (or at least register your interest if you are unable to attend) to hear why having a living vibrant Church is so essential in playing its part in helping to make Coddington and its surrounds the wonderful place that it is.

Every blessing

Rev'd Phil.

Coddington Gardening Group

Coddington Garden Club invite you to an illustrated talk on the famous Alnwick Garden, adjacent to Alnwick Castle in Northumberland.

The redevelopment of the garden was started in 1997 by Jane Percy, Duchess of Northumberland and it is reported that £42 million has been spent so far. It is certainly a stunning garden with much of interest apart from plants, with many impressive water features, one of the world's largest tree houses (6,000 sq ft), a poison garden and much more.

1st Coddington Rainbows

Coddington Rainbows continues to be a hit with girls aged 5-7 in Coddington and the surrounding area.

The group who meet weekly during term time at Coddington Community Centre are currently working on their Thinking Day challenge badge. Thinking Day is the day that Girlguiding celebrates the conception of the organisation, and the challenges that we have been taking part in have focused on Girlguiding around the world - we sampled food from around the world, learnt words in different European languages, and Girlguiding uniforms and promises from around the world. We were also thinking about Girlguiding outside of our unit, and nearly all of our Rainbows took part in the Newark District Rainbow Funtime this weekend - a 2 hour craft and games event on the theme of jungle animals with Rainbows from other groups across Newark.

In March we are looking forward to two important events:

A special Girlguiding showing of the newly released *Beauty & The Beast* with Emma Watson and our annual Rainbow sleepover at Walesby Forest. We look forward to sharing a review from the Rainbows of the sleepover in the next CVN.

We greatly appreciate all the support that we get for our weekly sessions and outings from parents and other helpers.

By having this support, it means that we can be more adventurous with the activities that we plan, giving the girls more varied and exciting experiences.

We are looking forward to welcoming the next group of girls to Rainbows over the summer and autumn terms from the Reception school year. We encourage any parents with daughters in reception, nursery or younger that would like to join rainbows in the future to sign their daughter up now. The earlier you put your daughter on the waiting list the better.

Be Aware

Action Fraud

(Action Fraud, Administrator, National)

Payment diversion alert

Fraudsters are emailing members of the public who are expecting to make a payment for property repairs. The fraudsters will purport to be a tradesman who has recently completed work at the property and use a similar email address to that of the genuine tradesman. They will ask for funds to be transferred via bank transfer. Once payment is made the victims of the scam soon realise they have been deceived when the genuine tradesman requests payment for their services.

Protect yourself

- Always check the email address is exactly the same as previous correspondence with the genuine contact.
- For any request of payment via email verify the validity of the request with a phone call to the person who carried out the work.
- Check the email for spelling and grammar as these signs can indicate that the email is not genuine.
- Payments via bank transfer offer no financial protection; consider using alternative methods such as a credit card or PayPal which offer protection and an avenue for recompense.

**If you believe that you have been a victim of fraud

Get your windows and guttering clean with local firm Squeaky Clean Windows! Using a pure water fed extending pole system we are able to reach virtually all inaccessible windows. The soft bristled brush means that painted frames are protected too.

Keeping your gutters clean is an important part of house maintenance. Our gutter surveys start from £19.99 and the gutters are cleaned using a gutter hoover and CCTV so you can see the results for yourself.

We also offer a Caravan Cleaning service using Fenwicks cleaning solution.

Fully insured and competitively priced, we pride ourselves on putting the customer first. We clean all year round and with a contact call 24 hours before we come, you know when to expect us.

These are just some of the things our customers have to say:

'Excellent service and great results – which means my windows only need doing bi-monthly' Phillip from Newark.

'Ian runs a reputable company and nothing is too much trouble' S.Jarman, Newark

We accept payment by cash, cheque or bacs invoices can be raised if required.

Village Hall news

2016 has been a busy year for Jane Hedge who keeps our bookings under control and we are confident that the accounts will reflect that at our AGM – see separate notice. We hope you enjoyed the new Christmas lights that we erected outside the hall which we thought added a festive look along with the internal ones, Christmas tree and decorations.

Fundraising/Entertainment: The return visit from the **Churchfitters** with their Christmas Show in December was, as expected, a sell-out which was much enjoyed by all. Below are Rosie and Boris, and on the right Chris playing his “glass harp” which made a magical sound. Amazingly, with the aid of cling film it had survived the journey between the eleven previous gigs!

The performance by **Ashley Hutchings and Becky Mills** in January was rather different and the audience enjoyed his anecdotes, explanations of lyrics and Becky's wonderful voice.

We are looking forward to Thursday 9th March 2017 when we have a return visit from Dave Mynn (**Rabbit Theatre**) with **The Odyssey**. Dave entertained us exceedingly well with "Great Expectations" in 2013 and some of us really enjoyed his performance of Dracula last year when we visited Maplebeck's small hall. The Odyssey may or may not immediately appeal but rest assured it will be entertaining! See separate notice.

A new regular booking has meant that **Maintenance** mornings have had to be moved and are on Mondays for the time being but please check as it may not stay that way! Occasionally we have an emergency resulting in extra work - in December this was when one of the toilet cisterns cracked and started leaking so had to be replaced. Apart from ongoing maintenance we are working on development of the Chapel Lane side garden, we have had a welcome donation from our County Councillor Maureen Dobson which will buy paving slabs to give us clean access there. Possibly by the time you read this we will have installed a central feature for the garden – explanation next time!

Do come and join us – tea and bikkies provided! Phone Dave on 708781 to check the date.

The Village Hall Committee. Chairman Bernard Allen, phone 703360

“The Odyssey”

at the Village Hall

Thursday 9th March 2017 7:30pm

The Village Hall is again welcoming Village Ventures – the rural and community touring scheme for Nottinghamshire featuring high quality professional dance, drama and music from the best in national and international touring companies and performers.

Greek stuff... all the good bits with the boring stuff removed.

A hugely enjoyable solo show performed by an immensely talented actor (and first class fool). David Mynne delightfully brings Homer's epic poem to life, with great skill, outstanding comic timing, brilliant self-made sound effects and a handful of home-made props. A superb show; charming, funny, beautifully told with a host of exciting (and daft) characters - including a one-eyed Cyclops, a six-headed monster and the terrifying Sea God Poseidon - conjure up a mighty storm and keep you on the edge of your seat.

Based - very loosely - on the epic poem by Homer, this is a tale more exciting than excitement itself. 'The Odyssey' is Homer's great poetic account of Odysseus's decade-long attempt to return to his home island of Ithaca after the Trojan war, remembered for the hero's colourful, salt-caked adventures on the high seas: his encounters with witches, nymphs and cyclopes, his journey to the land of the dead, his shrewd and quick-tongued and fast-witted outsmarting of the terrors in his path.

“A terrific blend of mesmerising acting and delightfully daft drama... mesmerising and joyful... faultless.” Derby Telegraph

Doors open 7pm. Tea, coffee and juice will be available at the interval, or bring something stronger if you wish.

Tickets £10 if **paid** in advance, £11 on the door. Children £4. From: Bernard Allen (703360), Isobel Turner (708781) & Philip Waller (701013)

Coddington WI

Coddington WI meets on the second Tuesday of every month in the Coronation Hall. The meetings, which start at 7:30, begin with the WI business and news of what is going on within the Nottinghamshire WIs, followed by a speaker or demonstration, and ending with a social gathering with refreshments. We welcome new members, so keep an eye out for the posters around the village giving details of our next meeting.

The members were treated to a fascinating talk on the Mitford Sisters in November. John Whitfield explained how this interesting family were all celebrities in their lifetimes.

Coddington Christmas Party in December took the form of a faith supper. Members were welcomed with a glass of mulled wine and then shared the plates of food each member had contributed. After the meal members Vera Carter, Marilyn Harrison, Jane Hedge, Pat Hemingway, Pam McVay and Lesley Walker entertained with seasonal poems and anecdotes. The evening ended with singing carols and an amended version of the twelve days of Christmas which involved 'smelly socks', 'hot water bottles' and 'naughty knickers'.

The Body Shop at Home provided a speaker for Coddington WI in January. Lindsay talked about the history of the Body Shop and told the meeting about various third world projects the Body Shop supported. A variety of products were available to sample and buy.

The trip to Burton Agnes Hall in December was a great success. The visit to see the Hall decorated for Christmas was enhanced by the choir from the local primary school singing carols.

In January several members helped prepare and serve a five course meal to the senior citizens of Coddington. Nora Reed planned the menu of soup, turkey plus vegetables and trimmings, desserts, cheese and biscuits and mince pies and her team of helpers cooked and served the meal. A number of WI husbands washed up and provided a taxi service. This annual event instigated by the late Dick Gray, is sponsored by the Coddington Trust Fund.

A Burns' lunch at County House was greatly enjoyed by several members. A three course lunch was served which included haggis and a glass of whisky.

Members are going to see 'Ladies Down Under' at the Robin Hood Theatre and a bus trip to the Van Dal factory is planned for March. In April the WI will host a fashion show. This will be held on April 19th at 7:15 in the Village Hall. Watch out for posters around the village with more details.

Why not come along to one of our meetings to sample the WI, you don't have to join immediately!! Watch for notices around the village to give details of our meetings. Your subscription entitles you to 11 free meetings a year and also allows you to join in the many varied events run by the county organisation.

Coddington History Group

Recently one of our members found some vintage newspaper cuttings relating to Coddington which I thought you may find interesting. I've typed them as they appear. Firstly a topical one (since the Plough has just reopened) from the Nottinghamshire Guardian of 27th May 1852. The language is quite amusing.

'CODDINGTON.- This place has been the scene of gait and pleasure during the last week, through the holiday of the servants and the Nottingham Imperial Order of Odd Fellows holding their anniversary, the catering being done at host Birkett's, of the Plough Inn. All passed off tolerably quiet. One son of Bacchus, however, was so pot valiant as to violate the peace, and actually to challenge the gent in blue out to fight. The latter properly adjourned the "set-to" to the Justice Room, when his adversary was glad to say "enough," being mulcted in a penalty and costs.'

Note: "mulcted" means to extract money from (someone) by fine or taxation and of course the 'gent in blue' is a reference to the police.

The second cutting is also from the same newspaper but a later date – 20th October 1882, it is a sad story.

'EXTRAORDINARY DISCOVERY AT CODDINGTON.- An inquest was held at Coddington on Wednesday on the body of a male child, name unknown- William Robinson, gardener at Coddington Hall, said that on Monday he went out ratting. He went into an old shed in which lay some chaff. He put his shovel in it and dug out a parcel tied with string. On opening it he found that it contained the body of a child, wrapped up in a female's striped petticoat, and also a white linen petticoat and a white apron, which appeared much stained. He put the body back again and gave information to the police.- Charles Gomer said he was in the hovel when the body was found. He had been in the place several times but had never disturbed the chaff.- Robert Miller and Henry Leggett gave corroborative evidence as to the finding of the body.- Mr Samuel Job, surgeon, Newark, said he had examined the parcel, and found it contained the body of a full-grown male child. The body had evidently been concealed for some time, as it was in an advance state of decay. It was impossible to tell in the present condition whether the child had died naturally or not. The clothing found about the body appeared to have belonged to a domestic, as it was of coarse texture. He did not think the body had been in the place where it was found all the time.- The jury returned a verdict of "Found dead".'

Lastly, a cutting that refers to the toll-bar which was on Balderton Lane. At that time the Newark-Leadenham Turnpike (we would now say the A17) ran from Newark Road up what is now Brownlow's Hill onto Main Street then

turned a corner onto what is now Beckingham Road. It was a toll road. The cutting is very early, from the Nottingham Review of 6th February 1829.

‘NEWARK PETTY SESSIONS, Wednesday Feb. 4th., before the Rev. J. Staunton, LL D. and Sir R.H. Bromley, Bart.- James Cocking, of Bassingham, servant in husbandry to Mr. Bycroft, was convicted in the penalty of £5, for violently and forcibly passing the toll-bar called Coddington side-bar, and refusing to pay the toll (which he did at the desire of his master), and in default, to be committed to Southwell House of Correction till paid.’

We also have cuttings advertising the letting of the turnpike tolls which refer to the Beckingham Toll-gate, the Beacon Hill Toll-gate, and the Coddington side-gate. The tolls were let by auction to the best bidder. The winner of the auction would then collect the tolls and hope it was more than he had paid for the privilege. It seems to be an annual process and information is given about how much was collected at each gate in the previous year. In 1815 the Beckingham Toll-gate took £411 3s 7½d, the Beacon Hill Toll-gate took £251 3s 9d, and the Coddington side-gate took £3 13s 1½d. Obviously Balderton Lane was rather less busy than it is now. Maybe we should reintroduce the toll to give an incentive to drivers to use the main roads instead of rat-running the lanes!

VOLUNTEERS NEEDED

Every year, in addition to clubs and societies, the village is treated to an excellent range of entertainments and events by All Saints' Church, the Village Hall, Community Centre and Scout Group. The attendance levels, unfortunately, have varied but all our hard-working groups do need more support, from across Coddington, to sustain the core elements of our community. They cannot continue indefinitely without fresh faces. Some new helpers do come forward but more are required. If you can spare some time to assist please look at group/society reports in this issue, or at the list of contributors on Page 2, and make your choice.

Coddington History Group

Sadly, my optimistic prophesy that the display board in the church graveyard (on the rear of the notice board at the south gate) would be installed last year did not come to pass. We have the board but need to construct a frame to attach it to the existing board, hopefully soon! It will have a "map" of the graves and an alphabetical list of those buried there so that visitors can more easily locate graves.

Have you been in the Plough and admired the photos we supplied for them? The pub looks very smart now, we have found it very welcoming and the beer is good!

For a change this year, we had our Christmas meal (jointly with the Village Hall trustees and volunteers) late in January! We booked Thyme Out café (opposite the Palace), had the place to ourselves and found it very good. However, we also had our usual "fuddle" in the village hall before Christmas and on Boxing Day enjoyed a walk in Stapleford Woods (very little mud there!) as there is now no circular walk of suitable length available from the village.

We are grateful to the church for giving permission for us to photograph more parish records which we will transcribe for our archive in due course (volunteers welcome!).

Group Update

We have finally had the hall rewired. This was a project which needed to be done to bring the building in line with current regulations and safety protocols.

Our next project is to replace the main hall windows. As we are in a conservation area the frames have to be wooden but we will install double glazed units to reduce our heat loss and save money.

Our Beaver and Cubs sections are benefiting from Young People who are volunteering as part of their Duke of Edinburgh training.

BEAVERS We have a full colony of Beavers with 24 young people enjoying a full programme of activities run by our leader Kerry Watson assisted by Nicola Zadora. Our Beavers have visited the Police station and had a visit from James of Imageskool who demonstrated Graffiti Art

cubs Our Cubs, lead by Robin Clee and assisted by Amanda Baker, continue to provide a full programme. The Cubs have been working towards their International Badge looking at the Chinese New Year. We welcome Steve Adshead to our leadership team.

SCOUTS Our Scouts section, lead by Kieran Wellard and Robb Evans, are following a busy program. They recently had a winter camp at Walesby. A true winter camp as there was snow on the ground.

EXPLORERS We now have 9 Explorers who are working towards the Duke of Edinburgh awards which involves helping in the younger sections.

Fund Raising

Our fund raising activities are progressing well with a plan to raise the funds needed to replace the windows. The shortfall will be covered by applying for grants and other funding support from local authorities.

The bag pack at Morrisons just before Christmas raised £1105. Our Quiz night in January raised £750. Thanks to Amanda for the hard work on both these events. A good start to replacing our windows.

We have regular organisations that hire the hall along with spot hires for birthdays and other activities.

Scouting in Newark

We are seeing a slow increase in numbers of young people joining Scouting in Newark District. The number of girls joining is growing which is good to see.

We have a good spread of groups around the district providing Adventurous Activities for young people.

Keep your bicycle safe and secure

Around 3,000 bikes are stolen in Nottinghamshire every year.

Bicycles are often targeted by thieves because they are left poorly secured or not secured at all. It takes just a few seconds for the opportunist thief to steal a bike that is left unsecured.

Follow this advice to help protect your bike from being stolen and to increase the chances of it being returned to you if it is stolen.

Securing your bike

Lock your bike tightly so that your bike is difficult to move when parked.

Ensure you lock both wheels and the frame to a cycle stand or another immovable object.

Always park your bike where it can be clearly seen. Where possible use designated parking areas or secure cycle storage.

Make it impossible to a thief to smash the lock open. Fill the 'D' part of your lock with as much of the bike as possible. Never leave the lock lying on the ground where it could easily be smashed.

Use locks of gold 'Sold Secure' standard. Also, use two different types of lock, with at least one being a high quality D-lock. It takes thieves a few seconds to cut through poor quality locks - make it as difficult for them as possible.

Take the same care to lock your bike securely at home. Bikes get stolen from communal hallways, gardens and sheds.

Protecting your bike

Get your Bike(s) Insured. Ask your insurer to extend your home contents insurance to cover your bicycle. Ensure it covers you for thefts outside the home. If your bicycle is particularly valuable, you may need to insure it separately.

Register your Bike(s) Immobilise is a national property database that enables police to reunite stolen items with their rightful owners. Register your bike for free at the Immobilise website.

Mark your Bike(s) There are a number of bike marking products available. Always ensure you use a marking scheme that is approved by the Association of Chief Police Officers (ACPO), and preferably use a visible marking product, Smartwater kits and Selectamark are examples.

Bike Passport(s) If your bike was stolen, could you describe it? Take a photograph of your bike many people forget details about their bikes that could help. Consider creating a bike passport containing details of your bike.

If your bike has been stolen, contact the Police; give them as much detail as possible Make, Frame Number, Colour, Size, Photo and any other details.

For future cycle security marking events follow Newark Police UK on Twitter

Watercolour painting

Watercolour painting is a relaxing and enjoyable activity. Taking time out to learn how to draw and paint a scene is achievable by all.

You can be an absolute beginner and with a little help from a tutor, you can learn to draw and paint; both are learned skills. Classes also offer a social aspect where you can see what others are achieving, have a chat and share the experience with like-minded people.

Creative learning helps you to switch off and relax as you lose yourself in creating something unique. Why not give a new creative hobby a try?

Watercolour classes are run at the Village Hall on Friday mornings from 10am-12, £10 per session including refreshments

The family-friendly puppet show of Alice in Wonderland by Box Tale Soup before Christmas was well received. The Trustees will be looking to hold a similar Village Ventures show with Box Tale Soup, again targeted at families and local schools.

Thank you to all the Trustees who have volunteered to help with providing leave cover for the Centre Manager, and for all those volunteers who have provided support at fund raising events.

As the Community Centre ownership has now transferred from the District Council to the Parish Council, several revisions to the lease are being made. It has been agreed by the Parish Council that the restriction to overnight sleeping at the Centre may be reduced, allowing the Trustees to determine the appropriate arrangements with Groups requesting occasional overnight use, once the lease is revised and finalised.

Suggestions and comments from the public, users of the Centre etc. are very welcome (as are volunteers or anyone considering becoming a Trustee) and these can be emailed to:

For the more cautious among us Heartstartnewark will be running free 2 hour courses at different venues throughout the year, the course covers:

- Treatment of the unresponsive casualty
- Primary survey
- Recovery position
- How to deal with heart attack
- CPR
- Choking
- Treat severe bleeding
- How would you treat a nosebleed?

Book onto a course and see if you are right

A certificate of attendance will be given.

If a 3 year old can do it so can you.

Neighbourhood Watch

All Neighbourhood Watch schemes are registered on the website 'www.ourwatch.org.uk'. In Nottinghamshire we also have the website 'www.nottswatch.com'. Both of these websites are useful sources of information regarding crime in your local area.

The police website can also be used for crime information 'www.police.uk'.

Let's keep our eyes open and report anything out of the ordinary.

In addition there is an application for smart phone users to interact with the police. Information about the application can be found at the website 'www.witnessconfident.org'. The application is called **Self Evident**.

If you would like to help keep our neighbourhood a safer place please visit the websites and spread the word about anything you find.

Always be vigilant, noting anyone or anything suspicious, car reg. no. etc. and if worried contact our PSCO Mike Munro.

Tel: 07595 074234

Email: michael.munro@nottinghamshire.pnn.police.uk

Just a reminder, if you are new to the village, all Coddington residents are part of the Coddington Neighbourhood Watch Scheme.

DOG WALKERS PLEASE TAKE NOTE

Dog mess is an eyesore and a health hazard. If you are a dog owner, you have a legal duty to clean up every time your dog messes in a public place, including public footpaths and any open land to which the public has access. Always carry a bag when dog walking, and place the used bag in an appropriate bin. As long as the bag is well sealed, it can be left in a litter bin, but **PLEASE DO NOT PUT DOG WASTE IN BINS WHICH ARE SITED WITHIN OR AROUND CHILDREN'S PLAY AREAS** as some people have done.

Dog walkers have a duty to keep the streets, footpaths and open spaces clean and healthy for everyone. Anyone who is observed not clearing up after their dog will be reported to the District Council or to the police. Offenders can receive an on the spot fine of £75 or up to £1,000 if taken to court.
