## Chairman's Report – December 2018

You will see on the front page of this newsletter that “Carols Around the Tree” will take place at the Community Centre on Wednesday 12<sup>th</sup> December at 6pm, organised jointly between Coddington School and All Saints’ Church. Please come along and enjoy the event, which is for all villagers and parents / children at Coddington School.

The Parish Council manages the allotments at Well Green on land leased from Newark and Sherwood District Council. We give priority to residents of Coddington Parish, so please get in touch if you want an allotment to grow your own produce, as vacancies do arise every year.

There are several public footpaths crossing fields and along field headlands in Coddington, and it is important that we keep to the signed footpath routes as we hope to agree some additional permissive routes with landowners in the near future. If you have any problems with footpaths, such as them being overgrown, you can report them directly to the County Council via their website at:

[https://forms.nottinghamshire.gov.uk/service/Report\\_a\\_problem\\_with\\_a\\_public\\_right\\_of\\_way](https://forms.nottinghamshire.gov.uk/service/Report_a_problem_with_a_public_right_of_way)

As the village Post Office and Stores have now closed, and an application to convert to a private house has been made, we have been working with Lincoln Road Post Office to develop an “Outreach” service once a week at Coddington Community Centre. Once the details have been agreed, they will be published here and on Coddington Crew and the village website at:

<https://village.coddington.org.uk/>

We wish you all a happy and peaceful Christmas and New Year.

David Armstrong, Chairman  
Coddington Parish Council

## CODDINGTON ALLOTMENTS

There may be one or two vacant allotments in the new year.

There are currently no Coddington residents on the waiting list. Please contact the Parish Clerk as soon as possible if you would like an allotment, so that village residents can be given priority over applications from outside the parish.

## ALL SAINTS' CHURCH

**Reverend Louise Holliday writes:**

### **A TIME OF GIFTS**

#### **Signs Of Love**

My friend's cat used to bring home gifts....worms, butterflies, birds, mice, the odd bat. Like the gifts we will receive at Christmas these gifts were signs of LOVE. One gift I received when I was first ordained was a copy of a book called *The Greatest Thing In The World* by Henry Drummond. It was about chapter 13 of St. Paul's first letter to the Corinthians, often referred to as Paul's hymn of love. The same book is sent to every new minister in the Church of England by someone who is desperately keen that ministers, and all other Christians, should have love at the centre of our lives.

#### **Missing The Mark**

In many churches we talk a lot about faith, giving, being obedient, but if any of these are at the centre of our Christian life then we have missed the mark. St. Paul says - Get Love. He wrote this to a church that had become rich in every way but had forgotten how to love in the way Jesus had shown them and, without love, Christian life is nothing. One of the tragedies of church life in this country over the past 75 years is how many West Indian Christians from the Windrush generation who flocked to England after the war were cold shouldered by the traditional churches and eventually formed yet more separate denominations.

#### **Holding Up The Mirror**

1 Corinthians 13 is a mirror in which every local church should look to examine itself. When Paul writes *Love is*, substitute the words *Jesus is*, then *we are*, and then *I am*. Verse 4 would then read *I am kind, I am patient, I do not envy, I am not proud* etc. This description of practical love is what I would love to see develop in our BBC churches (Balderton, Barnby, Coddington).

One of the main reasons why Jesus came to earth at the first Christmas was to give us all a chance to see what God intended us to be and how we can best live.

Why not come along to any (or all!!!) of our churches over the seasons of Advent and Christmas and check out how we are doing?

It was said of Henry Drummond, the author of *The Greatest Thing In The World*, that his life demonstrated that being a Christian is the perfectly natural way to live. Not a bad aim for each of us to aspire to, from the youngest to the oldest – TO LOVE AS CHRIST LOVED US.

Happy Advent and Christmas.

With love and prayer,

Rev Louise

## The Village Readers

We are a friendly group of village readers who meet up once a month at The Plough in Coddington. We meet on the last Monday of each month at 7:30pm. Choosing books is a joint effort. Bringing along our choices and then we decide as a group what we'd like to try. All genres are brought to the table although we've not yet ventured into horror!

We've been meeting since February 2017 and read a variety of books from *The Night Circus*, *Goldfinch*, *Good Me Bad Me*, *Small Great Things*, *And The Mountains Echoed*, *The Alchemist's Secret*, *Longbourn*, *Tell Me No Lies* to name a few!

We share books and talk about books we've read in the past. We have lots of ideas of books we would like to read in the future. We read hardbacks, paperbacks and e-readers. We just love books and we'd like for more of you to join us so we can add to our ever growing list of books to read.

It's an informal get together with no pressure to read all or any of the books, if you just want to come along for the book chat go off and read your own choices that's great too.

If you'd like to know more before you think about whether to join us or not then contact [thevillagereaders@yahoo.com](mailto:thevillagereaders@yahoo.com) / 07715868621. Or just come along and if you like what you see and hear then join us as often or as little as time allows.

## Village Hall News

We long to say there's progress on the new extension, but we don't seem to be able to speed up the architects (maybe progress is not the right word at the moment). Until we get finalised drawings and specifications and thus an estimate for the work we cannot begin the painstaking process of applying for grants for the work. Very frustrating. **Help please!** Due to health and busy-ness issues, we are now in need of a volunteer Booking Clerk and also cleaners. Jane Hedge has done a fine job of keeping the bookings under control for quite some time whilst Phil & Janet and Nerissa have all done sterling work assisting with keeping the hall clean and tidy. We are proud to be able to say that the hall is run entirely by volunteers and it is a valuable point when applying for grants. See separate "advert" for more details.

**Village Ventures.** See elsewhere for information on the next two events. The Christmas show is a very welcome return visit from David Mynne with "A Christmas Carol", he entertained us so well with The Odyssey last year – and ticket sales have been brisk since October. December sees Noble Jacks coming to stir us up with their lively blend of music, and on Thursday 25<sup>th</sup> April we have Ninebarrow - I'm assured that they are very good and their shows often sell out.

**Maintenance mornings** have majored on painting. Thanks to Barbara and Brian the fence on the north is now a nice shade of brown, others have repainted some of the exterior windowsills and another team have been busy painting the main hall ceiling. Many thanks to Paul Cobb of MCR Joinery for loaning his scaffold tower so we could do so safely. We sourced all the paint free via the

County Council's Community Repaint scheme. The gardeners have continued with maintenance and now it has at last rained will be able to commence planting activities. Miscellaneous other jobs have included re-fixing radiators to walls, securing a ceiling panel, scrubbing table tops and generally making the place look decent. Many thanks to all concerned. If you'd like to join our merry team (there were 10 of us round the tables munching biscuits and drinking tea in November!), it's generally on the first Monday of the month; contact Dave Turner on 708781 - or just turn up.

The Village Hall Committee. Chairman Bernard Allen

## **The Churchfitters at the Village Hall – again!**

A very crowded hall thoroughly enjoyed the repeat visit from Churchfitters in September. Chris playing his musical saw was memorable as was Boris's antics with various base "guitars" – including attempting to avoid feedback which hadn't been present during the sound checks. Rosie enchanted us with her singing and her skill on a variety of instruments. They will be back!

## Are you ready for winter?

As the nights get colder and darker, the chances of severe weather increase. Since 1990, gas and

# BE WINTER READY

electricity network companies have invested over £80bn to make the UK's gas and electricity supply more reliable than ever before. But storms, floods and other extreme weather can still cause damage and disruption.

That's why the UK's gas and electricity network companies have come together to launch the Be Winter Ready campaign. The campaign aims to help the public better-prepare for power cuts and gas emergencies that may result from bad winter weather.

### To Be Winter Ready you should:

- **Know your free emergency numbers** - in a power cut dial 105 or, for a gas emergency, dial 0800 111999
- **Prepare your home** – keep a torch handy and get your appliances serviced by a Gas Safe registered engineer to prevent carbon monoxide poisoning. Vulnerable households can get extra support by signing up to the Priority Services Register. Contact your gas or electricity network to find out more. Visit [www.energynetworks.org](http://www.energynetworks.org) to find out who your network operator is.
- Keep your eyes open – **keep an eye on the weather forecast** and, if you have a power cut or a gas emergency, check on your neighbours.

## Amateur Photographic Event for Coddington

### **“A SNAP SHOT OF OUR VILLAGE”**

All Saints' Church Coddington is offering a unique opportunity to participate in the photographic capture of day to day life in Coddington over an 11 month period which will be retained in the form of an archive and displayed at relevant events throughout the years.

The event is open to all ages. The photographs do not have to be necessarily Church related, but they should cover any aspect of village life.

With a lot of us having a photographic facility on our mobile phones we should be able to catch a good glimpse of Coddington life!

## **HAVE A GO!**

## Wartime Memories of Jane Hedge

My father William Rowland Clark joined the Sherwood Foresters 1st Battalion Reg.No. 497363, he joined in Lincoln. In 1935 he was posted to Park Farm Camp, Kingston, Jamaica after his initial training. The regiment worked with the Jamaican Police force at the time of the troubles when Tate and Lyle proposed a new factory, Whilst he was there he met my mother Moira Ogilvie Campbell, she was governess to Col. Steele's two daughters Isabella and Rachael. They were married in 1938 in Jamaica, then the

regiment returned to England in 1938. . Mum went to Chester to live with my grandparents Charles Ogilvie Campbell and his wife Molly Jolly where I was born. The house had all modern facilities including a telephone as my grandfather was an architect who in later years restored parts of the Rows in Chester..

In 1939 Dad's regiment was posted to Palestine then on to Cyprus, from there some men were sent to Albania before going to Norway in 1940. In 1942 the regiment was posted to Tobruk. At Tobruk Dad was shot in the leg fighting the Italians and went to hospital in Tobruk. The regiment surrendered to the Afrika Korps and Sgt. W Clark was sent to a POW camp in Italy before being transferred by train to Stalag V11-A Moosburg An Der Isar, Bavaria and given the POW number 127414 he was in prison from 1942 until 1945. Dad was discharged from the army in February 1946 (Discharged as an ex. POW service not required). He then came to live with us at my grandfather's house in Chester.

Grandma died in 1942 and Aunt Kitty looked after me as mum went out to work. When I was 3 I went to Queen's School Kindergarten, I can remember being issued with a gas mask. Food was very scarce due to rationing, it helped with granddad being able to grow his own vegetables and fruit, I really enjoyed the blackcurrant purée Mum made. Granddad had worked with a firm of spinners and weavers that made dense blackout curtains for Whitehall, so the ones he had in the house were excellent. When the air raid sirens went off I was wrapped up well and put under the cold slab in the pantry as they thought that was the safest place!! German bombers often went over Chester on their way to bomb Birkenhead or Liverpool the local Ack-Ack guns seemed to be firing on a regular basis. Later in the war I can remember hearing the German "Doodle Bugs" it was extremely frightening when the noise stopped, I can remember one landed on the Golf Course near Chester Zoo. If you went anywhere near Liverpool the worst thing was seeing the "Barrage Balloons" They were very frightening.. I

remember on V-E Day that a lady down the road had a troop of dancers and they practised their dance on our lawn before dancing in the Town Centre.

When Dad returned to Chester it was difficult for him to decide what to do, he had been a farm labourer before he joined the Army in 1935, he decided to move back to Ewerby in Lincolnshire .My sisters Carol, Angela and brother Charles were born in the Maternity Home in Sleaford .Dad got a job as a driver for BRS Transport collecting vegetables from farms and delivering them mainly to Sheffield Market. We then moved to Ruskington from Ewerby in 1950. Food was still rationed until 1954 so our main diet was potatoes with" stork" margarine and plenty of other vegetables from the garden, fortunately sausages, kidney and liver being off ration[no need for coupons] were always plentiful and occasionally you could buy minced beef [with coupons]. Never any chicken!!!. Dad like most people kept a pig in a sty in the garden so at times we had pork, the pig was killed by Mr Brown the local butcher.

I do remember POW's working on the farms, a man from Lithuania was working outside our house and Mum took him a drink and sandwich at lunch time, he brought me a beautiful embroidered blouse when he left, I wish I had kept it!!!.I remember taking the accumulator to Muxlowes' garage to be charged as the house at Ruskington had no power points and Mum cooked on a paraffin stove and an inglenook oven.

Dad had a very bad lorry accident in 1953 or 54 when he was driving down a very steep hill into Sheffield the brakes failed and he had to run into a wall to stop the lorry unfortunately the load of vegetables moved forward and squashed the cab and Dad was seriously injured.

I attended the local Sleaford Secondary Modern School and was one of the first children to sit "O Levels" at a secondary school. When I left school jobs were very hard to come by in the countryside so for a short time I worked on the local farm helping with beet singling , Corn harvest, picking potatoes ,I then went to work for the Lincoln Co-op, what a change in life, having to remember everyone's co-op number, mental arithmetic (no tills in those days)and it was £-s-d not easy. When the young lad George, was called up to do his National Service, I was the strongest girl, I was soon asked to be in charge of the bacon. Carrying sides of bacon was not easy, I learnt how to take out the ribs so that the bacon could go on the slicer. I often went out with Mr Palmey in the van delivering grocery orders to farms and cottages in Digby, Temple Bruer and Dorrington area.

After the accident dad went to Skegness to recuperate and met a gentleman who worked for Standard Telegraph & Cable installing the first hi-tech cables, eventually the gentleman offered Dad a job so the whole family moved to Banbury in 1958.

## **Warm Homes on Prescription**

Newark and Sherwood District Council is offering a scheme to provide adequately heated homes for vulnerable residents. The Government is funding the Warm Homes on Prescription project which aims to help people suffering with a long term health condition which is being made worse by living in a poorly heated home. The qualifying criteria are:

- Must be resident within Newark and Sherwood District.
- Must live in own home or in privately rented property. Must have a long term health condition which is impacted by the cold.
- Must have an annual household income of less than £16,000 a year.
- Must have savings of less than £16,000.

The scheme provides complete funding to home owners for a new boiler/heating system where the boiler is faulty or broken. Landlords are required to pay 50% towards the cost of the work where their tenants meet the above criteria.

## **NOTIFICATION OF ESSENTIAL SAFETY IMPROVEMENT WORKS**

Safety improvement works to the A46 roundabouts are due to start in early January, scheduled for completion in July. Diversions will be in place between the hours of 8pm and 5am, Monday to Friday with occasional overnight weekend work. There will be 40mph speed limits and a mix of lane, road and layby closures throughout.

The three schemes will be delivered sequentially:

A46 Cattle Market Roundabout - widening and re-alignment of the Great North Road arm.

A46 Brownhills Roundabout – widening of the A1 northbound exit slip road and re-profiling of the embankment to reduce the slope gradient.

A46 Friendly Farmer Roundabout – reduction of lanes from 4 to 3 on the A46 approach and re-alignment of the footway on the south east quadrant.

Full spiral markings will be introduced at all three roundabouts to assist drivers in following a lane around the roundabout, to reduce the number of collisions.

In addition, there will be the following associated works:

- resurfacing the roundabouts and immediate approaches.
- replacing/adding High Friction Surfacing.
- replacing lighting columns and lit signs.
- updating signage.
- installing a new drainage system for surface water.
- renewing the footway/cycleway.
- renewing the landscape within the central island.

## *Help needed please!*

At the moment we are very proud to say that the hall is entirely run by volunteers and without subsidy. These are valuable points when applying for grants – and we will need to be fundraising for the new extension in the near future.

Please could you help in either of the following ways?

### **Booking Clerk**

We need one or more persons to help administer hall bookings. This mainly involves regular and occasional bookings and ensuring that correct payments are received. It should be possible to divide some of the duties in order to share out the workload.

### **Cleaner(s)**

This involves just 1-2 hours per month since we have a rota system so each cleaner does one week. It can be done any day or time that suits - as long as the hall is not booked. Duties as you'd expect: basically to make sure the hall is clean & tidy and consumables are restocked as required.

Please speak to one of the Trustees or phone Bernard Allen on 703360 if you might be able to help.

**THANK YOU.**

## **CODDINGTON SHORT MAT BOWLS CLUB**

The first meeting of this Club (then called the Over 55 Leisure Group) was held on 30th June 1995 in the Memorial Hall, Coddington when 17 people attended. Mr Reg Dickinson acted as temporary Treasurer.

On 4th August 1995 a meeting was held to elect a committee and Reg was appointed as Chairman. He continued in this post until June 1998 when he stood down and Mr John Kirton was elected in his place. Reg continued to be a member of the Club until 2005 when he was again elected Chairman, a position he held until 2016 when he handed over the reins to Angela Hardwick.

During Reg's time with the Club he has been very instrumental in the general running and organisation. He played a big part in our bid for a grant from Awards to All which enabled us to purchase longer mats and other equipment prior to our move down to the new Community Centre in 2007.

In September 2018 the committee decided to make Reg a Lifetime Member of the Club and he was presented with a certificate to mark this occasion.

## **Coddington W.I.**

Coddington W.I. Meetings are held on the 2nd Tuesday of each month apart from August when an activity or an outing is arranged for its members. The meetings commence at 7.30pm when the President Glen Sheppard greets members and informs them of the business and news, then introduces our arranged speaker, ending the evening with refreshments and social interaction between members.

Other extra activities and meetings to enjoy are a monthly walking group, outings, discussion meetings where interesting media topics are discussed, County events and an educational course at Denman's College in Oxfordshire.

New members are always welcome and if you are interested why not come along to a meeting either alone or bring a friend and you will be made most welcome and under no obligation to join.

Two recent speakers that have been arranged were Chantelle Thornbey whose talk was based on a brave Holocaust survivor Elena Gut Opdyke, illustrating the talk with photographs via a slide show. The following month John Whitfield's subject was '1950's - Did We Really Have it so Good' discussing political changes and the development of the Welfare State, plus social attitudes.

Throughout the year several group outings and theatre visits are arranged. Recently seen was A Bunch of Amateurs and Ghost at the Robin Hood Theatre Averham. An outing to Loughborough visiting the Bell Foundry was enjoyed, and we are also planning a Christmas visit to Harewood House Yorkshire travelling by coach.

Each year members are invited to attend an Annual Federation Meeting. This year it was again at the Palace Theatre Newark. After the formal business and awards were presented, members attending enjoyed entertainment from a 'Take That' tribute group.

Belonging to the Swallows Monthly Walking Group is a pleasure for some and a popular activity organised by a group member followed by a pub lunch. Husbands partners or a friend are also invited or you can come alone, all are made welcome

A quiz night was arranged recently including a fish and chip supper. W.I. member Jane Hedge agreed to be quiz master. Raffle prizes were donated by members. Also a bottle of wine was presented to the winning team. It was advertised locally for all to come along and enjoy.

Plans are in action for our Christmas Party when we enjoy a Faith Supper. A basic list is provided by our Catering Sub Committee of food required, then members can decide on a contribution they will provide, wine or fruit juice, tea or coffee is also served. For entertainment Pat Hemingway has agreed to read an amusing poem.

The Senior Citizens' Lunch is to be held at The Coronation Hall (Village Hall) on January 13TH 2019. To arrange seating please contact Joyce Allen 01636 703360.

This event is financed by The Coddington Trust Fund.

### **Winter Cycling - be safe, be seen this winter**

Invest in some good quality winter clothing, as getting cold and wet doesn't make for a good riding experience, plus it could also affect your riding ability. Ensuring you have the right clothing for winter cycling will help you keep warm and dry.

Hi-viz clothing is very effective at making you visible at night.

Add reflective items to body parts that move, i.e. shoes with reflective strips, reflective wrist bands and gloves.

Wear a rear light on your back pack or your helmet for extra visibility. The additional height of the light will be at eye level for most motorists.

Please ensure your bike has working illuminated front and rear lights between sunset and sunrise and during periods of reduced visibility.

# A CHRISTMAS CAROL <sup>BY</sup> CHARLES DICKENS

*at the Village Hall  
Thursday 6th December 2018 7:30pm*

*The Village Hall is again welcoming Village Ventures – the rural and community touring scheme for Nottinghamshire featuring high quality professional dance, drama and music from the best in national and international touring companies and performers.*

*We are very pleased to have Dave Mynne back for the second year running after our audience thoroughly enjoyed his “Odyssey” last year.*

Joy to all mankind... Bah!

Spend an evening in the company of a mean, tight-fisted, squeezing, grasping, clutching old miser. Bah!

Watch horrified as Ebenezer Scrooge is haunted by four creepy ghosts (wooo-oooh) each one more terrifying than the last. Bah!

Sob at the bedside of a tiny, malnourished child riven with rickets. Bah!

In their inimitable style the team that brought you Great Expectations, Dracula and The Odyssey (Greek stuff!) will now take you on a grim journey through the dark, dismal streets of Victorian London, where Ignorance and Want cower together.

Using Dickens' original words combined with anarchic comedy. Comedy? Bah!

Celebrate the festive season with a mesmerising one-man performance of Charles Dickens' timeless, transformative story: A CHRISTMAS CAROL. Bah! And Bah!

*Suitable for adults and older children (8+) Doors open 7pm. Tea, coffee and juice will be available at the interval, or bring something stronger if you wish.*

**Tickets** £11 if **paid** in advance, £12 on the door. Children £4. From: Bernard Allen (703360), Isobel Turner (708781) & Philip Waller (701013)

*All Proceeds to Village Hall funds (Reg. Charity No:214953)*

# *Noble Jacks “In Concert”*

## *at the Village Hall*

*Thursday 31<sup>st</sup> January 2019 7:30pm*

*The Village Hall is again welcoming Village Ventures – the rural and community touring scheme for Nottinghamshire featuring high quality professional dance, drama and music from the best in national and international touring companies and performers.*

This rip-roaring alt-folk band brings a roof raising energy to its live shows, imbuing its heartfelt, anthemic songs with feelgood folky footstompin' rhythms and vivid lyricism. Exhilarating to hear.

Noble Jacks relentlessly toured through 2017 (and haven't stopped since!),

stompin' their way round the British folk scene with sold out headline shows and appearing at major festivals including Glastonbury, Cambridge Folk Festival and Costa Del Folk (Portugal).

This is the kind of brilliantly catchy alt-country music (with a folk-rock undertow) that begs to be experienced live. It bursts forward with a stream of restless and rallying energy; their big anthemic songs are affirming stuff, their melodies made to bang your foot on the ground to. And central to their sound is the soaring and infectious fiddle charge, faultless lead vocals, roaring and rocky guitar and blues wailing harmonica.

Doors open 7pm. Tea, coffee and juice will be available at the interval, or bring something stronger if you wish.

**Tickets** £11 if **paid** in advance, £12 on the door. Children £5. From: Bernard Allen (703360), Isobel Turner (708781) & Philip Waller (701013)

## **A Day in the Life of the Collingham Pharmacy Team....**

Nestled into our corner next to the doctors' surgery, the pharmacy and doctor dispensary services is proud to be a part of the beating heart of Collingham. Each month we dispense around 15,000 – 20,000 items, not just for the locals, but also the residents of many surrounding villages as far afield as Norton Disney to Newton-on-Trent – a pretty wide catchment area! (132 sq miles).

On the face of it, a pharmacy looks like it's simply people sticking labels on a box of tablets and placing them in a bag, however, behind the scenes there's a veritable hive of activity that is largely hidden from view. This is how it works...

The day begins at 8.30, fifteen minutes before the shop is opened. At this time the shop is being prepared for trade, and some of the staff have tea or coffee (and more often than not, biscuits – lots of biscuits).

Once we're open, the counter staff focus on handing out prescriptions, making sure the shop looks welcoming and well stocked and dealing with over the counter queries. The dispensers collect prescriptions from the doctors and print off electronic prescriptions for processing in accordance with the patient's record so that they can be picked for stock, labelled, checked and handed to the responsible pharmacist for final clinical check and suitability before being bagged and stored alphabetically. The responsible pharmacist also offers clinical support to the dispensers and is always happy to provide patients with advice and guidance at any time without the need for an appointment. A pharmacist is your first point of contact for minor illness.

Dispensers also work on an ever increasing number of 'dosettes' – monitored dosing systems in trays that help patients take their medicines systematically over the course of a day or week. These require considerable time to prepare. Dispensing requires a great deal of concentration and care, as well as adherence to many legal and operating procedures designed to ensure that patients' medicines are prepared to the highest standards (General Pharmaceutical Council, Care Quality Commission and Pharmaceutical Services Negotiating Committee, to name a few). Normal 'repeat' prescriptions are worked through systematically within a 48 hour turnaround. 'Acute' prescriptions are those brought in person by patients who need their medicines urgently and we work through these as a priority. In most cases customers leave with their medicines after only a few minutes, however, for certain drugs, we may have to order them in. We receive two deliveries per day – late morning and mid-

afternoon, so the dispensary gets busier when they arrive as they have to be checked and stored. Even if we don't have stock, we can often get it later the same day or within a day or so – with rarer items like made to measure dressings taking up to a week. By the time we've stored everything, the conversation focuses almost exclusively on food, (as it's usually lunchtime) when we close between 1 and 2pm.

On a Tuesday morning, we also offer a weekly delivery service for those who are eligible within our catchment area (ask for details), and on other mornings we prepare the village collections for Eagle and North Scarle, Winthorpe and Swinderby.

After that, the afternoon cycle begins much like the morning, and towards the end of the working day, all prescriptions handed out are collated, counted and recorded in a monthly tally and stored for sending off for payment (to the PPA) at the end of the month. At about 5.30pm, (when the conversation turns once again to food) the dispensers ensure any stock orders have been submitted to our suppliers so that the medicines come in for the next day and the counter staff cash up the till and record the day's sales. At 6pm (6.30 on Mondays) we close up the shop, close down the computers and head home, to recharge for the next day.

So come in and see us! We are a very happy, friendly and caring bunch, who works very well as a team with our partners at medical centre. We are extremely proud of our consistently high customer satisfaction surveys and close relationship with many of our patients. We hope to see you in the pharmacy soon.

## **VOLUNTEERS NEEDED**

Every year, in addition to clubs and societies, the village is treated to an excellent range of entertainments and events by All Saints' Church, the Village Hall, Community Centre and Scout Group. The attendance levels, unfortunately, have varied but all our hard-working groups do need more support, from across Coddington, to sustain the core elements of our community. They cannot continue indefinitely without fresh faces. Some new helpers do come forward but more are required. If you can spare some time to assist please look at group/society reports in this issue, or at the list of contributors on Page 2, and make your choice.

## **Coddington Community Centre**

Hi Everyone,

Christmas is upon us and I expect many of you like myself are thinking that this year is flying past. And what a year it has been for the Community Centre with the success of our Midsummer Madness Funday, and various events held by members of our community at the Centre, the Halloween party was a great success, a big well done to Lynsey Dolan who organised it and those of you who supported it and raised money for a very worthy cause.

We have seen the Centre well booked up with parties and regular groups, as well as our badminton court being very well used. It is so encouraging to see the Community Centre once again at the heart of village life.

And of course we hope to expand on this in the months and years ahead starting with Carols Round the Tree on Wednesday 12<sup>th</sup> December at 6 o'clock, this is a joint venture with the Parish Council which we hope will get us all in a very festive mood. Come along and sing carols with the children from Coddington School and then join us in the Community Centre for Hot Soup, French Bread, Mulled Wine, Soft Drinks and Mince Pies, while the grownups eat, drink and chat to Christmas music, the children can play games, see Santa and receive sweeties from his sack, all of which is free. The school children are invited to do decorations for the big outside tree and also for Santa's grotto inside the Community Centre with a prize of £10 token for the best decorations, I for one can't wait to see what they can conjure up.

Looking forward to 2019 our events committee is already planning a May celebration day along similar lines to our Midsummer Madness Funday last July. The Trustees are also looking forward to working more closely with Coddington School and its new headmaster Jon Brown, and plans are already afoot for more school activities at the Centre. We have a lovely Community Centre which now belongs to the village of Coddington and it behoves us as residents to make sure that the Centre thrives for our community not only now but for years to come, so we would appreciate hearing from anyone who would like to be involved with the Centre, whether as a Trustee, a member of our events committee, or as a helper to make refreshments, oversee events or simply to be willing hands, for as you know many willing hands make light work of any event. Myself and the other Trustees hope to see you on the 12<sup>th</sup> December at Carols Round the Tree, and would like to take this opportunity to wish you all a very Merry Christmas and a Happy, Peaceful and Joyful New Year.

Best Wishes

Lin Rowden - Allen (Chairman Coddington Community Association)
