Chairman's Report – December 2020

At the time of writing we are about to leave the recently introduced Tier 3 of the COVID-19 restrictions in Nottinghamshire, and to start the second lockdown across England from early November, lasting until at least early December and possibly longer. In these circumstances the Parish Council have unfortunately decided that they cannot host the Carols round the Tree event at the Community Centre this year due to the social distancing restrictions in place.

We are continuing to operate the volunteering scheme in Coddington as although the number of requests for help have dropped off these may increase under this new lockdown. See later in this issue for a reminder on how to put in help requests or to volunteer. Thank you to all the volunteers who have helped so far, and to the Collingham Area Pantry, who have continued to deliver many food parcels to Coddington residents via Coddington School. Food and cash donations can be made to the Pantry, and I would like to thank Coddington Trust Fund who made a large donation earlier this year. The contact details for the Pantry can be found at:

<https://www.collinghamfoodpantry.com/>

We will be holding monthly Parish Council meetings in virtual format until at least May 2021, using a combination of Zoom and people dialling in by phone. Members of the public are welcome to these virtual meetings as usual, and agendas with computer access details / phone numbers for meetings are posted on noticeboards around the village, and on the Parish Council website pages. The details for attending all virtual zoom meetings are available at:

<https://village.coddington.org.uk/index.php/parish-council/meetings>

The churchyard at Coddington All Saints' Church is almost full for burials, although it will still be available for cremation memorials. The Parish Council would like to understand if there is a need for creation of a new Burial Ground in the Parish, so are requesting your views via a survey available in this newsletter or via the village website at:

<https://village.coddington.org.uk/>

We have two vacancies on the Parish Council due to the resignations of Malcolm Baker and Jill Mastin, and we are now seeking applications from villagers. Thank you to Malcolm and Jill for their contributions as Councillors, and to Malcolm for his continuing volunteer work as Chairman of Coddington Community Association who run the Community Centre, and as editor of Coddington Village News.

Wash hands. Cover face. Make space.

Wishing you a Happy Christmas and New Year in these uncertain times.

David Armstrong, Chairman

PARISH COUNCIL VACANCY

There are two vacancies on Coddington Parish Council.

If you would like to be considered for co-option to the Council, please forward your details in writing by
31st December to:

The Parish Clerk, Flawford Cottage, Coddington,
NG24 2QY, or by email to
coddingtonpc@hotmail.com

To be eligible, a candidate must have attained the age of 18 years and be on the Electoral Roll of the Parish, or during the whole of the past 12 months have either lived in the parish, owned or leased land in the parish, worked in the parish, or lived within three miles of it. The Parish Council's Co-option Policy can be viewed on the village web site.

Help for Self-Isolators in Need

Hello! If you are self-isolating we can help with:

- Shopping
- Friendly phone calls
- Remote IT support
- Posting mail
- Other jobs

We are all volunteers from the village. You can ask for help using an online form at **village.coddington.org.uk** or by phoning the Parish Council Chairman (number in CVN).

- **Keep Safe**
- **Keep Cheerful**
- **Reach Out**
- **Help Out**

Coronavirus is highly contagious – please take every care to spread only kindness. Avoid physical contact - keep 6ft away. Wash your hands thoroughly and often. We will alert you and leave items on the doorstep. Please tell us how we did later.

Volunteers welcomed.

ALL SAINTS' CHURCH

Rev'd Louise writes:

SHINE A LIGHT THIS CHRISTMAS

I'm sure I'm not the only one who will be pleased to see the back of this year. 2020 has been a challenge on so many levels and there is no aspect of our lives, as individuals or as community, that hasn't been impacted by Covid-19. Back in March, as the first lockdown began, we were hopeful that by this time in the year things would have returned to normal, or almost at least, but here we are, facing the prospect of a very different kind of Christmas.

And yet, in the midst of the anxiety and despite personal hardship, members of the community have rallied to offer support and step in where national provision has fallen short. Out of the darkness has emerged the light of neighbour caring for neighbour, new friendships and groups joining forces to take care of the most vulnerable members of society. As time passes it is becoming increasingly clear that we cannot go back 'to normal' but we can look forward together to a 'new normal' and we can all play a part in bringing that about.

On 1st December the Church begins the journey through the season of Advent. This time offers the opportunity to reflect on what we hope for as we prepare for the celebration of Christmas Day, not in the sense of what gifts we hope to receive, but what good we hope for in our lives and the lives of our loved ones. As we prepare to remember the birth of Jesus, who was heralded as the Prince of Peace, we are invited to consider what makes for a peace-filled life.

Perhaps more than ever, this year, we would benefit from taking time to think about that. Of course, Advent can be a very busy time too, with the preparations for Christmas; the shopping for presents and food. It can also be a time of heightened anxiety for many, with the added financial pressure, alongside the prospect of spending time with family members with whom we don't always see eye to eye.

So, I wonder if this year, in response to the restrictions and the changes we are facing, we think about how we can celebrate the season of Christmas in a way that brings light to our community.

Maybe as well as our chocolate Advent calendar, we could have an Advent ‘To Do List’. Each day through December, we could commit to doing something to help our community. It doesn’t have to be a grand gesture; a litter pick, a donation to a local charity, a phone call to a lonely neighbour, a smile.

Research suggests that helping others is good for our own well-being and now, I believe, is the time to consider what kind of community we want to live in and take action to make it our reality.

Perhaps you could think about having an Advent candle this year too, as well as a calendar, and as you light it each day remember that Jesus called himself the light of the world. The thing about light is that it dispels darkness, but darkness cannot dispel the light. We can follow in his footsteps by committing ourselves to being a light in the darkness for others through our acts of kindness. Let’s do that together this Advent.

Have a peace-filled Christmas.

With love and prayer,

Rev Louise

For day to day issues contact should be made initially through the Church Administrator - Mrs Louise Marshall on 01636 704811 who is available on Wednesdays between 9.am and 4.pm.

Inquiries for Baptisms and Weddings should be made directly to Rev'd Louise on 01636 704811.

SERVICES OVER THE CHRISTMAS PERIOD

As we go to print it is unclear at this stage what services will take place over the Christmas period. Please keep an eye on the church notice boards for further information.

CHRISTINGLE

It is very unlikely that All Saints' will be holding the much loved Christingle Service this year. Therefore, here is a date for your diary.

CHURCH OF ENGLAND NATIONAL CHRISTINGLE SERVICE FOR THE CHILDREN'S SOCIETY - SUNDAY 13TH DECEMBER

You are invited to feel the magic of Christingle on a Grand scale, by joining the Nationwide on line service. The service will be streamed onto Facebook and Youtube. Be sure to look out for it on 13th December.

CHRISTINGLE COLLECTION FOR THE CHILDREN'S SOCIETY

In recent years the children of Coddington school have supported the Children's Society by filling a collection candle with loose change, which they returned either to school or to the church Christingle service. Because of Covid-19, this year, the children will receive a collection envelope at school, along with a Christingle colouring poster to display in your home window, which will spread hope with the light of Christingle.

This year, more than ever, the society needs your help. If you feel you are able, it would be wonderful if a donation of £1 could be placed in the envelope and returned to school.

If anyone else in the village would like to donate to the Children's Society, this can be done direct to the Children's Society or through me.

Many thanks in anticipation of your support

Sheila Bache
Children's Society Representative

BONUS BALL FUNDRAISER

To date we have had several different winners all receiving £25 each.

The latest winners in the September draw with No 32 was Tracy Hickman, and the October draw winner with No 2 was Joan Rigby.

By the time you are reading this in December, we will have had the November and December draws, which completes the 2020 Bonus Ball fundraiser. We will continue this fundraiser throughout 2021 so therefore we invite you to take part again.

Please contact me via e-mail at sheilabache@sky.com or telephone 01636 674741 if you wish to continue with your present number or if you wish to take part as a new member.

How it works - the bonus ball drawn on the National Lottery on the 1st Saturday of each month is the winning number for our fundraising scheme. It will cost you £1 per month, equal to £12 for the year. You can, if you wish split your payment January to June, and July to December. You can buy the numbers 1 - 50, which means you win £25 and the church wins £25. Numbers 51 to 59 are allocated to the church, which if drawn means the church receives £50.

Please let me know as soon as possible - the numbers will go quickly.

REMEMBER - "BE IN IT TO WIN IT"

CHURCH FUNDRAISING

The church fundraising team have missed your company this year. Thank you to everyone who supports the church through our different events such as fairs, quiz nights and coffee mornings. We have truly missed you all and hopefully, next year, we will see you all again when we get back on track.

Sheila and Barbara
Fundraising Co-ordinators.

Christmas Lights in Coddington

The Christmas lights on Beckingham road will be on display again this year. While at the time of going to print the charity to benefit from your donations has not been chosen yet this should not stop us from going down and having a look and putting a contribution in the box.

Remember the lights are not on all the time, they go off at about 8pm.

Also remember this is a busy road so please take care with parking and crossing the road.

Co-op Local Community Fund Update

A massive thank you to everyone that chose us as your local charity to support at the Co-Op store on Beacon Hill. I am delighted to say that this initiative has raised a fantastic £1,243.28 which will be going towards the refurbishment of our toilet facilities. Thank you also to the Co-Op for allowing us this opportunity. If there are any local tradesmen who would like to provide a quotation for this refurbishment please contact gsl@coddingtonscoutgroup.org.uk

Section News

Since March all our section have been unable to meet indoors face to face and have been meeting regularly via zoom. Our Cubs and Scouts did manage to meet face to face briefly before the latest lockdown restrictions prohibited us from doing so.

Although we were unable to attend the Church Remembrance service this year the effort put in by our Beavers and Cubs to decorate the Scout Hall was fantastic and if you are passing please do go and take a look at all their wonderful artwork.

Volunteers needed!

We are actively seeking adult volunteers to help run the group in a variety of roles. The Scout Group belongs to, and is run by, the Coddington Community and in order to continue to run the group to the high standards that you have all become accustomed to we need your help. If you are interested in getting involved please get in contact with gsl@coddingtonscoutgroup.org.uk

If you wish for your child to be added to our waiting list you can download an application form from our website www.coddingtonscoutgroup.org.uk Please be aware that due to Covid-19 restrictions we are only meeting online for the foreseeable future.

BURIAL SURVEY

The churchyard of All Saints, Coddington has a limited number of burial spaces remaining and once they have been filled the Church may apply for closure of the churchyard when responsibility for maintenance of the grounds would pass to the Parish or District Council. There would still be provision for interment of cremated remains,

The only piece of land which is owned by the Parish Council is Page's Wood on Balderton Lane, and it has been suggested that the area could be partially cleared to provide a green burial site as an environmentally-friendly alternative to traditional burials and for scattering of ashes.

Before any discussions go ahead, the Parish Council would like to know the views of residents on how important it is to them to have the capacity for new graves within the village and what type of provision they would prefer.

The following questions can be answered through a survey on the village website, by email to coddingtonpc@hotmail.com or delivered by hand to the post boxes at the Community Centre or the Village Hall.

How important, on a scale of 1 – 5 (where 1 is very important and 5 is of no importance) is it to you to have a burial plot in the village?

How many years have you lived in Coddington?

Which road do you live on?

Would you expect your Parish Council to provide an additional burial ground within the village?

If so, would you prefer a formal cemetery or an environmentally-friendly green burial site?

Any other comments:

The Village Readers

We are a friendly group of village readers who will again meet up once a month at The Plough in Coddington when Covid restrictions are eased.

Choosing books is a joint effort. We bring along our choices and then decide as a group what we'd like to try. All genres are brought to the table although we've not yet ventured into horror!

We've been meeting now for over 3 years and have read a variety of books. We share books and talk about books we've previously read. We always have lots of ideas of books we would like to read in the future. We read hardbacks, paperbacks and e-readers. We just love books and we'd like more of you to join us when we return to our monthly meet ups at The Plough.

It's an informal get together with no pressure to read all or any of the books. If you just want to come along for the book chat and go off and read your own choices that's great too.

We now have a book swap outside The Village Hall where you can take books to read if you want to swap with ones you have read to share with others.

If you would like to know more then you can contact us at
thevillagereaders@yahoo.com / 07715868621.

CODDINGTON VILLAGE HALL NEWS

Covid 19

There is much to report despite the limitations of Covid.

The hall is available for hire to any group who can legally meet under the regulations in place at the time.

The trustees have taken steps to ensure that the building is as Covid secure as is possible.

We have reduced the available hire space to the main hall with one male and one female WC.

The kitchen area and small hall becomes an emergency room for the isolation of anyone developing symptoms while at the hall and must not be used for other purposes. Users requiring refreshments must bring everything they need to prepare and consume them and take them away afterwards.

The hall is professionally cleaned weekly and once a month is treated with a fogging agent which prevents the virus settling on all the surfaces. Users must still wipe down after use with the materials provided. The move to professional cleaning has meant that the hourly rental has been increased to £10 per hour fully inclusive, still good value for the facilities available.

Governance

As reported in the last CVN the trustees are in the process of changing the trust to a CIO.

A Charitable Incorporated Organisation is an incorporated form of charity which is not a limited company

It only has to register with the Charity Commission and not Companies House

It is only created once it is registered by the Charity Commission

It is a legal entity that can enter into contracts in its own right

It has trustees who will not have any liability for the debts of the CIO in normal circumstances.

The procedure is lengthy and involves creating an entirely new charity to run in parallel with the existing one until the assets are transferred and the old charity is wound up. We are grateful to our secretary Carolyn Whiting for doing all of the paperwork to achieve this outcome.

The new trustees (in practice the same people) will serve with myself as chairman and the same officers in post.

Bernard Allen had already decided to stand down at this time but will continue to serve as chairman of the old charity until it is wound up in the new year.

Work parties

We have continued with ‘socially distanced’ work parties during the pandemic, the concrete floors in the 1885 building have been repainted and the usual autumnal task of removing leaves from the gutters and pruning the overhanging hedges and trees completed. The gardening team have engaged in the mystic task of moving plants around.

All maintenance activities are balanced against the plans to restore and insulate the older building and replace the toilets and entrance with a new block at the rear of the old building. Fundraising for this project continues but most grant monies are currently directed toward Covid related activity.

WW2 Memories Irene Bell

I was born in 1935 at Bootle, Liverpool, my father was Harold Southward a fireman and my mother was Elizabeth (nee Toy) and she was a fire watcher. Ours was a modern house with electricity, gas, hot & cold water,

To help with the war effort they both collected scrap metal which could be melted down, railings and any scrap metal eg old kettles. They both helped to put fires out after bombings. One of the first things I can remember is my mother making Blackout Curtains with her sewing machine.

In those days everything was recycled:- milk was delivered to your house every day in glass milk bottles which had to be returned, when you returned beer and lemonade bottles you got a penny, old newspapers were taken to be used as wrapping paper for your fish and chips, nothing was wasted. Nobody wasted food, if you did not eat it at one meal you got it for the next one.

I had a sister Edith and I had a much older brother Edward who was in the army regimental number 3782911 Royal Corps Signals, Paratrooper 1st Airborne. Unfortunately he was killed on the 20th September 1944 aged 21 at Arnhem.

I went to Roberts Drive Junior School in Bootle, when I was eleven I went to Bootle Girls Grammar School, my favourite subject at school was reading, I played Hockey and Netball for the School. I remember the school issuing us with gas masks and I thought they were horrible things.

Presents were thin on the ground at Christmas and birthdays due to little money being available, like most children. The presents were books and small gifts in a stocking.

One of my early memories was my brother lifting me out of bed and talking me down stairs in to the garden to the "Anderson Shelter", along with mum, dad and sister Edith, along with a kettle, tea etc. I do not think there were any evacuees in our area due to our close proximity to Liverpool.

Most people listened to the news on radio every night and Churchill's speeches. Several people listened to "Lord Haw Haw". The favourite programmes were:- **Comedians**:- Frankie Howard, Tommy Trinder, Arthur Haynes, Charlie Chester, Arthur Askey. **Popular music**:- Flanagan & Allen:- "Run Rabbit Run", "We're going to hang out the

washing on the Siegfried Line", Vera Lynn:- "There'll always be an England", "There'll be Bluebirds over the White Cliffs of Dover" and "We'll meet again", Gracie Fields:- "We'll meet again", "Sally", "Wish me luck as you wave us goodbye", "Bless'em All", "In the mood", "Don't fence me in", "The sun has got it's hat on", "Leaning on a lamp post", "The White Cliffs of Dover", "Sing as we go", "Roll out the barrel", "Biggest Aspidistra in the World", "A Nightingale sang in Berkeley Square", "Fred Fanakapan", Walter Walter", "There'll always be an England", "Kiss me Goodnight Sergeant Major". Richard Tauber:- "Pedro the Fisher man is always whistling", "Girls were made to love and kiss", "We'll gather lilacs in the spring". Glen Miller:- "In the Mood", Bing Crosby:- "Don't Fence Me In", Marlene Detrich:- "Lili Marlene"; there were many other popular songs which I can't remember. There were many other popular singers:- Petula Clark, Ronnie Ronald; Orchestras :- Glen Miller and Tommy Dorsey. Apologies to those I have missed.

I remember the Air Raid Sirens going off followed later by German bombers then the terrible noise when the bombs went off followed by the fires.

Food rationing did not affect us too much, dad grew potatoes and carrots in the garden, our uncle was a farmer in Wales so we got some food from him including damsons, we never went hungry. There were no fruit in the shop which could not be grown in England:- bananas, grapes, pineapples, lemons and oranges.

One night dad lifted me out of bed when I was fast asleep and took me down to the front gate, all the neighbours were out and all of a sudden all the street lights came on and everyone cheered and cried, the war had finished.

The biggest lasting event for all the family was my brother being killed. Mum and Dad never got over it and mum was in poor health for the rest of her life.

My sister and I went to the 50th Anniversary of Arnhem, a big parade and we met some very old soldiers in the Parade who remembered their old mate Teddy. A very moving moment, they were with him when he was killed.
December 2012

Irene & James moved from London in the 1980's to Coddington, they both became very involved with village life.

James worked for Daylay at Bilsthorpe, he became a very active Parish Councillor. Both James & Irene were active members of the church and were very involved in the running of the Village Hall. They both helped run the village Friday bowls club in the village hall then in the Community Centre.

Very soon after she came to live in the village Irene joined the WI and was soon on the committee and for many years she became an excellent secretary. She was always involved with the WI drama group and always helped out at the village Seniors Christmas lunch. Irene was very sadly missed when she moved to Kent.

Irene moved to Farnborough in 2015 to be nearer her family after James died in June 2013.

Very sadly Irene died in October 2020, she is a very much missed in the village life.

VOLUNTEERS NEEDED

Every year, in addition to clubs and societies, the village is treated to an excellent range of entertainments and events by All Saints' Church, the Village Hall, Community Centre and Scout Group. The attendance levels, unfortunately, have varied but all our hard-working groups do need more support, from across Coddington, to sustain the core elements of our community. They cannot continue indefinitely without fresh faces. Some new helpers do come forward but more are required. If you can spare some time to assist please look at group/society reports in this issue, or at the list of contributors on Page 2, and make your choice.

Yoga with Clare

Developing a regular yoga practice will not only improve physical wellbeing but will also give you tools to combat stress and anxiety.

If you would like to give yoga a try, I currently run the following Classes on a Thursday evening at the Bridge Community Centre (St Leonard's Church) on Lincoln Road:

6:15-7:45pm – Intermediates: Suitable for folks who have some yoga experience.

8-9pm – Gentle Hatha Yoga: Beginners/Improvers. No experience necessary.

If you'd like more information about the classes, including prices, please contact me on Tel: 07887 903461, via email at clarecotten@hotmail.com or visit my Facebook page at @yogawithclarec

Village Hall News

Live and Local.

Well, we did have a performance booked for early December – but then Lockdown 2 happened and it had to be cancelled.

Depending on the COVID-19 situation we may have a performance by “Mr Keith” in the New Year. Look out for information on the village notice boards or email me to go on circulation list. To whet your appetite here’s an introduction to “Mr Keith’s Parlour Concert”:

Imagine a Rural Travelling Music Hall, where the heart and soul of music comes to life in a thoughtful, yet humorous show, full of joy and creativity!

Britain has a happy knack of producing gently quirky, lyrical and narrative song-writing – think of Ray Davies, the Beatles, Crowded House, Squeeze – and Mister Keith (the alias of songwriter Keith Ayling) represents a new addition to this tradition. With his Parlour Concerts Mister Keith welcomes all on an intimate musical journey using expertly crafted songs, stories and humour referencing a forgotten era. With warm, easy to listen melodies, humorous anecdotes, and a whole manner of instruments from the mini orchestra, inventive percussion and soaring four-part harmony vocals - and the odd bit of dancing around the room or writing impromptu songs on the spot or conducting the audience as a choir – this will be a fantastically entertaining evening.

Isobel Turner, iturner@coddington.org.uk

Late news: L&L have just released a “Spring Menu”, so fingers crossed for a sort of “new normal” that allows performances. As a tempter – David Mynne (he of Christmas Carol, Odyssey fame that everyone enjoyed...) is on the list, as are Badapple Theatre (remember “The Frozen Roman”?) More info later.

Pics slightly less mysterious!

September's house mysteries brought a couple of responses. We conclude that this one (A479) is on the Green. Graham Simpson says it is in the north west corner (where Well Green house is now), Mrs Blackburn's house is further left than the picture shows. He remembers there being a hole in the fence and

an abandoned lorry chassis being there which was later taken for scrap. Jane Norris thought both pictures were Well Green, but it is also suggested that A478 could be on Chapel Lane, next to the footpath, which is now converted into one house – Rose Cottage.

New mysteries:

T1554 shows what we think is a group of Sunday School children, the only ones identified are: Florence Thompson at the back left and Edna Burgess at the back second from right, Front right is thought to be one of the Knotts.

More children to identify please on T3750, which was loaned to us by Margaret Wheatcroft nee Oxley. The occasion is an Enid Blyton play performed by the Coddington Methodist Chapel Sunday School. Here's

who we think some are:

On the left in a bonnet is Gay Cullen, then (Alan?) Cove in a dark jacket, then Norma Robinson at the front. Far right is Daniel Selby, and Vivienne Edwards may be there too. Can anyone confirm, contradict or deny or add names please? **Thanks.**

Seasonal Flu Vaccination Campaign 2020

We will be holding 3 Saturday morning flu clinics on

Saturday 26 September 2020, from 8.00 am – 12.30 pm
Saturday 10 October 2020, from 8.00 am – 12.30 pm
Saturday 31 October 2020, from 8.00 am – 12.30 pm

We are aiming to vaccinate 100% of eligible patients this year, as defined by NHS guidelines. We may be able to open our offer beyond those eligible after 31 October 2020 (dependent on stocks/uptake).

Due to COVID social distancing measures, our Saturday clinics will focus on patients who are able to walk and stand unaided for up to 20 minutes. No seating available. Vaccinations will be administered with patients stood up and a strict one-way system through the Practice will be in operation. Face masks must be worn. Please attend alone, unless a family member is also booked for flu vaccination.

For patients with mobility issues we will be holding weekday flu clinics. Our PCAs will triage at the time of booking.

Housebound patients will be contacted by the practice in due course.

These are appointment only clinics. Appointments will be available to book from August. Please contact the number below or ask at Reception.

For Appointments telephone: 01636 892156 8.00am – 6.15pm

Coronavirus Information Service on WhatsApp

The Government has launched a GOV.UK Coronavirus Information service on WhatsApp. The new free to use service aims to provide official, trustworthy and timely information and advice about coronavirus (COVID-19), and will further reduce the burden on NHS services.

To use the free GOV.UK Coronavirus Information Service on WhatsApp, simply add 07860 064422 in your phone contacts and then message the word 'hi' in a WhatsApp message to get started.

A set of menu options is then presented which the user can choose from and then be sent relevant guidance from GOV.UK pages as well as links to GOV.UK for further information.

Further information can be found of the [GOV.UK website](https://www.gov.uk).

MyNotts App.

Nottinghamshire County Council has launched a new mobile phone app – MyNotts which is now available to download.

The MyNotts app will make it quicker, easier and more convenient to access council services. It can be used to:

- Receive updates on school closures, check when holidays are and apply for school places.
- Report highways issues including potholes, faulty streetlights and overgrown vegetation.
- Find household waste and recycling centres and see what can be taken there.
- Access information about care services offered by Nottinghamshire County Council
- See what events are happening and keep up to date with news from across Nottinghamshire.

This is only the first phase of the app's development. Nottinghamshire County Council welcomes feedback on areas for improvement which can be sent directly via the app's 'feedback' section.

A Virtual PPG

The Patient Participation Group (PPG) with Collingham Medical Centre(CMC) had a virtual meeting recently. Due to the Covid-19 situation regular PPG events and activities have been suspended for the rest of the year. However, members are busy keeping the posters on village notice boards up to date and sharing information within the parishes.

The CMC has welcomed some new staff members: Dr Jatin Shar and Dr Anangoor Suresh. CMC continue is a Training Practice and are supporting 2 GP Registrars - Dr Freddie Reynolds and Dr Catherine McGillivray for the next 3-4 months and they will return to CMC for their final year in GP Specialist Training.

The CMC continue to operate a full telephone triage system to support patients and signpost to the right support incl. red, amber or green entrances to the building. We will continue to use the car park and patients' cars for waiting (rather than entering the building) for our amber and red triaged patients. This will continue throughout Winter.

Masks

Patients are asked to wear a mask when entering the CMC. As a clinician needs to support you within 2 metres the clinical team are wearing full PPE for all consultations. The non-clinical staff can maintain 2m distancing (i.e. behind the sneeze screens) and can work in a COVID safe way without masks. All areas are well ventilated and touch points in communal areas cleaned 3 times daily and after every patient in a consultation room.

Flu clinics

In addition to weekday clinics, three Saturday Flu Clinics are being held on

26 September; 10 October and 31 October - 8.15am - 12.30 pm.

Due to Covid-19 distancing measures the Saturday clinics will focus on patients who are able to walk and stand for 20 minutes. There will be no seating available. Vaccinations will be administered whilst standing and a strict one-way system will be in operation. Face masks must be worn and please attend alone unless a family member or a 'bubble' member is also booked for a vaccination. Patients with mobility issues will be able to attend a weekday flu clinic. Please telephone to book your flu vaccination and the PCAs will signpost you to the appropriate clinic for

your needs. Housebound patients and those in Care Homes will be vaccinated ahead of the flu clinics.

** Please note that people in the 50 to 64-year-old age group will not be vaccinated until November and December, providing there is sufficient vaccine, and no appointments will be offered for this age group until then. This is to ensure that those who are most at risk are vaccinated first. If you are 50 to 64 and you are in one of the other groups which is eligible for the flu vaccination, for example you have a health condition which puts you at risk from flu, you will be invited earlier.*

Pharmacy deliveries

Government funding for pharmacy delivery for those who were shielding has come to an end. CMC and Collingham Pharmacy continue delivery for those who are deemed high risk. Collingham Village Care (CVC) continue to collect prescriptions for some patients and will continue to do so if requested by a patient.

Befriending in conjunction with the Newark Live at Home scheme continues with 17 patients being supported. Good news is that a further 4 volunteers came forward from the Collingham Community Conversation virtual meetings.

The next PPG meeting is not until December when we will hold the AGM but, in the meantime, we will focus on support for communications to relay key messages for patients via newsletters, magazine articles and posters.

CODDINGTON W.I

Hi Everyone,

I hope that you are all safe and keeping well. As I start to write this piece, we are beginning another lock down with the hope of beating off the corona virus, and all this whilst we find new ways of marking Remembrance Day. As with the last lock down our W.I. committee are ringing members on a regular basis to check that we are all managing to keep well during these very challenging times, indeed the W.I. have always been a beacon of light at such times none more so than through the war years when so many lives were lost and so many families suffered hardship. The W.I. is today very much like a family especially to our members who live alone and perhaps have no family of their own, the caring nature of our W.I was lovingly expressed on a cold, wet and windy afternoon (a thoroughly miserable day) in October when one of our committee members knocked on my door to see how I was and to deliver a goodie bag. Well what a lovely surprise, the chocolates were the first to be demolished whilst reading the wonderful poem by Pam Ayres, a lady who always makes me laugh, and the poem by Max Boyce dedicated to the NHS was inspiring, I can report that my crocuses are doing well too, along with the little diary and the quiz book this was a very thoughtful gift which made me smile and brightened my day. I know that all our members had the same surprise and I hope you all enjoyed it as much as I did. So, a big thank you to W.I.

Our secretary Sue Sprigings continues to keep us abreast of what's happening in the wider W.I by emailing the Hornblower out to members. Sadly, Sue has also let us know of the passing of two of our ladies, Irene Bell who left us a few years ago to move nearer to her family in Kent and Jane Hadfield who may be remembered by our longer standing members.

The committee remain positive and hope that it won't be too long before we can resume our monthly meetings, speakers for 2021 are in the process of being booked and as I have already mentioned committee members will continue to keep in touch, not only to see how members are doing but to keep us informed of any news regarding our meetings.

Christmas is just around the corner, and I for one will miss our Christmas party which is always so enjoyable. But please in the spirit of the W.I keep in touch with one another especially those who are elderly and alone.

I sincerely hope that you and your family have a lovely Christmas and that the New Year brings health and happiness to us all.

Kind regards

Lin Rowden-Allen

Alternatively, you can also return any items borrowed from a mobile library to any local library. You can also renew books and other items, online or over the telephone.

Coddington Trust Fund

Money and land has been left in the past to be used for the benefit of Coddington residents in need. Local trustees administer this fund and are always pleased to consider requests, in strictest confidence, for financial help from Coddington residents of any age group.

Help can be given with expenses due to illness or lack of mobility or with household repairs or replacements. Parents can apply for help with the cost of school uniforms or outings. Students can apply for a grant towards the cost of textbooks and/or field trips.

Applications should be made in writing to the Clerk, Mr Alasdair Morrison, 26 Kirkgate, Newark, NG24 1AB or to any Trustee.

Coddington Trust Fund

The Trustees of Coddington Trust Fund (CTF) are sorry to have to announce the death of John Pitchfork earlier this year. He was our contact at Collingham Rural Advice Centre (CRAC). He will be sadly missed as in the past he worked hard to help any Coddington residents who contacted him when they were in need.

CRAC have secured the part time services of an adviser from the Citizens Advice Service in Newark and Sherwood. CTF will continue to support CRAC financially so that residents of Coddington can still seek help and support via CRAC.

Coddington Community Centre

Hello All,

At the Community Centre we have put a lot in place to make it a Covid safe space. We have hand sanitisers around the building and a one way system throughout in order to comply with personal spacing. We have now purchased a fogging machine to allow us to complete our sanitisation on a regular basis.

We were welcoming back more of our regular users before we went back into lock down again. I hope we see them come back and resume where they left off once the Centre is able to open up again.

The Centre is ideally positioned just off the A1 to cater for organisations to use us for meetings and training sessions. Under current conditions our main hall can accommodate around 25 people and our function room can accommodate around 10 people with social distancing. Our car park can hold 35 cars and has 3 disabled bays.

In order to recover from the lockdowns we plan to start fund raising. We have some ideas and would welcome more. If you enjoy running fund raising events then please get in touch.

We need more trustees, please do not think we will suddenly give you work to do - this is not the case. Our Trustees meet every 2 months to discuss our responsibilities and how best to achieve them.

The changes to our constitution along with the setting up of a new charity to continue the work is in progress. We are moving from an organisation which relied on a voting membership to a Charitable Incorporated Organisation which has many benefits for us.

We have set aside an area of the car park beside the school to allow for socially distance gathering of parents at school times. This area is normally segregated by cones. If they have been moved and are not in place at school time please put them back out if you are first there. Sometimes we may have a need to remove them out of school hours and cannot always get back to replace them.

Neighbourhood Watch

All Neighbourhood Watch schemes are registered on the website 'www.ourwatch.org.uk'. In Nottinghamshire we also have the website 'www.nottswatch.com'. Both of these websites are useful sources of information regarding crime in your local area.

The police website can also be used for crime information 'www.police.uk'.

Let's keep our eyes open and report anything out of the ordinary.

In addition there is an application for smart phone users to interact with the police. Information about the application can be found at the website 'www.witnessconfident.org'. The application is called **Self Evident**.

If you would like to help keep our neighbourhood a safer place please visit the websites and spread the word about anything you find.

Always be vigilant, noting anyone or anything suspicious, car reg. no. etc. and if worried contact our PSCO Katie Hewerdine.

Tel: 101 ext.310 4885

Mobile: 07894617567

Email: katherine.hewerdine4885@nottinghamshire.pnn.police.uk

Just a reminder, if you are new to the village, all Coddington residents are part of the Coddington Neighbourhood Watch Scheme.
