## Chairman's Report August 2022

Summer in Coddington has been one of high temperatures and lack of rain! Needless to say, this has brought issues to growers and gardeners in general, but I am sure we are all doing our best to cope with these challenging conditions.

The Queen's Platinum Jubilee celebrations were a splendid event in the village, and I think we, as a village, should congratulate ourselves on providing and attending the many and diverse activities throughout the long weekend! The Parish Council provided much bunting and the Bouncy Castles for the Saturday Fun afternoon. A good crowd attended as the Parish Council lit the beacon from the Plough Car Park (Thank you Plough!) and together with the prior parade and raising of the Union Flag by the Scouts started the celebrations. Before, and on the actual celebration days, all involved should be thanked for their efforts - well done everyone!

The Annual Parish Meeting open forum brought out two main discussion points from members of the public: the proposed one-way system and a new burial ground. There were reports from Coddington Parish Council, Coddington Trust Fund, Coddington Village Hall Charity Trust Committee, Coddington Community Centre Association, Coddington C of E Primary and Nursery School and County and District Councillors

Further to the petition conducted in the village concerning a one-way system, (Main Street/Brownlow's Hill), progression has been made through a meeting with Councillor Darby, Via (NCC Highways), CPC and village resident representatives. This has resulted in a request by Via for the CPC to coordinate a consultation with all village residents. This consultation will be published with the next CVN and your valued comments will be passed on to Via.

Progress is ongoing concerning a new burial ground. The Parish Council has initially approached Coddington Charity Trust and recently written to all owners of farming land in Coddington to see if they can offer a site which could be suitable for such a purpose.

I'm sure we are all aware of the current cost of living crisis so our thanks to Coddington Trust Fund for again supporting the Collingham Area Food Pantry with a substantial donation.

The Parish Council provided a Ukrainian flag which the Scouts agreed to raise at the flagpole outside their Scout Hut. The short ceremony was attended by the hosts and current Ukrainian residents who also graciously sang their National Anthem!

There are several exciting projects currently in hand around the village and these include a new village sign being painted by a local artist, new play equipment on Thorpe Oaks Playing Field, speed bumps being sited at the entrance to the Community Centre and the Scouts agreeing to tidy up Page's Wood.

On a less happy note, and despite our best efforts, the Parish Council has not been able to secure a pedestrian crossing over the A17 at Stapleford Woods roundabout. The Parish Council has responded with comprehensive objections, to an appeal relating to the development of site for distribution use on land off the A17 and are disappointed at the response from the District Council, which includes not allowing the Parish Council to speak at the Planning Committee Meeting.

As always, a warm welcome to all new residents of Coddington, whether permanent or temporary. The agendas for the monthly Parish Council meetings are published as always on the notice boards around the village and the public is welcome to raise any issues/contributions at the start of the meeting.

Nerissa McDonald, Chairman  
Coddington Parish Council

## ALL SAINTS' CHURCH

The Revd. Phil Smith writes:

Dear friends,

As you read this hopefully the repairs to our church wall will be complete or very close to being so and therefore, I would like to thank everyone for bearing with us as this essential work has taken place over the summer and apologise for any inconvenience this may have caused.

As we now leave the summer behind let us look forward to the autumn and the events that will be taking place at All Saints'. On Saturday 3<sup>rd</sup> September we host our final 'Open Day' of the year between 2.00pm – 4.00pm at which refreshments will be served together with all sorts of interesting items for sale.

We are so blessed to have such a beautiful church in our village which I also think of as Coddington's 'spiritual hub' where worship had taken place for hundreds of years, faithfully serving this community through both times of joy and sadness and hopefully will carrying on doing so for many hundreds of years to come.

Like all historic buildings our dear church takes a lot of looking after so there is still time to take part in **'The Nottinghamshire Historic Churches Trust' annual Ride and Stride event which takes place on Saturday 10<sup>th</sup> September** which is open to everyone and will give an opportunity for you to visit as many of our amazing churches in Nottinghamshire as you can, by any means you can and help raise money to preserve them – just visit the trust's website to find out more.

During the autumn our regular monthly **Sunday Holy Communion services** - to which all are welcome whether you are confirmed or not – will be held at **10.00am on 25<sup>th</sup> September, 23<sup>rd</sup> October and 27<sup>th</sup> November** so please make a note in your diary as we would be delighted for you to join us.

In addition:

- Our **Harvest Festival Service will be held on Sunday, 2 October at 3.00pm** a chance to celebrate the wonderful world around as well as helping others through your donation of food items or money which will go to local charities to support those in real need.
- And our **Remembrance Service will be held on Sunday, 13<sup>th</sup> November at 10.30am**

Looking forward to seeing you at our services where you will be made most welcome.

With every blessing — Revd Phil

## Neighbourhood Watch

Neighbourhood Watch, as it is today, came about in 2017 when the charity was restructured and replaced the Neighbourhood & Home Watch Network. It still has the same aims which are to enable individuals and communities to be connected, active and safe.

## **The Village Readers**

The Village Readers book club has resumed meetings at The Plough in Coddington after an extended period of meeting via Zoom.

Meetings generally take place at 7.30 pm on the last Monday of the month. We're a lively and friendly group and at each meeting, we discuss that month's book choice, and decide what to tackle for the next month.

Last year we set up a book swap to share our love of reading. This is just outside the village hall, and has been well used in recent months. We moved the books into a more weatherproof space last December and are delighted to know that we're providing a space in Coddington where we can all swap and share books.

If you have suggestions or comments as to how to improve the book swap, please let us know on:

Phone: 07715 868621

New members to our book club are always welcome.

## **PRESS RELEASE**

**Citizens Advice Sherwood & Newark is calling for volunteers of all backgrounds to deliver advice and support to local people.**

We are looking for new recruits who can give their time to help people struggling with issues such as *housing, benefits, money management, employment or changes within the family*.

Last year the charity supported 4,278 people. It can only do this work thanks to its dedicated team of volunteers. Most of our volunteers deliver advice to people in person, by phone or online. Others are involved in Research & Campaigning, are members of our Trustee Board or help out with administrative functions.

No experience is necessary as full training will be provided. IT skills are required.

Citizens Advice Sherwood & Newark volunteers come from all walks of life and choose to volunteer for a variety of reasons. They include students; people getting back into work after career breaks; people with part-time jobs; carers; and people who have retired.

Volunteers are often looking for new ways to gain valuable experience and enhance their skills, or to enjoy the opportunity to work with and meet different people.

Jackie Insley, Chief Officer at Citizens Advice Sherwood & Newark said:

“We’re urging people to do something great this year and volunteer with Citizens Advice Sherwood & Newark.

“As well as doing something positive for the local community, we know people who give their time get a lot back, be it enjoying the camaraderie of working in a team, learning new skills or campaigning on issues that are important to them.

“We’ll give you all the training you need and would love to hear from you.”

Our whole approach at Coddington Primary & Nursery School is driven by our seven Rainbow Christian Values which are Respect, Happiness, Friendship, Honesty, Cooperation, Responsibility and Love, which together with our school motto '*Shining the Light of Learning*', help to inspire the whole school, including our wonderful Nursery and Foundation classes.

We accommodate children from the age of 3 to 4 years old in Foundation 1 (Nursery) and 4-5 years old in Foundation 2 (reception). At Coddington Nursery we offer funded 15 hours (five mornings or five afternoons) and 30 hours provision. Additional nursery sessions can be arranged and charged accordingly. We provide breakfast and after school clubs for nursery and reception children to support working families in our community. There are three intakes a year, places are available for January 2023 and April 2023. If you require more information and a tour please contact the school office, [office@coddington.notts.sch.uk](mailto:office@coddington.notts.sch.uk). Application forms can be collected from the school office or on our school website. Children can join our nursery the school term after their third birthday.

It is our intent that the children who enter our Coddington Early Years classrooms develop physically, verbally, cognitively and emotionally whilst embedding a positive attitude to school and learning. We believe that all children deserve to achieve their full, unique potential.

Learning takes place through a balance of child-initiated play and adult led learning. Daily opportunities are provided for children to consolidate their growing knowledge through high quality continuous provision along with enhanced and purposeful activities linked to our overarching topic question.

We are incredibly proud of our large outdoor area, which our children access everyday as part of free flow independent learning times, and for specific outdoor adult- led activities. We are in the process of developing this area further and have some exciting plans for September 2022, to embrace our lovely woodland area and develop a large mud kitchen, sensory area and forest style approach to learning outdoors.

We look forward to welcoming you to Coddington Primary & Nursery School.

EYFS Lead

## **Coddington Village Hall**

Lettings are beginning to pick up slowly after Covid, although some events may not return for the foreseeable future.

By the time you read this, the Coronation Hall interior will have been redecorated and we will be beginning work on a new kitchen thanks to a generous grant from ASDA.

We are also looking at insulating the “tin” building to increase our energy efficiency.

Funds have recently been boosted by a very successful Table Top Sale and the monthly Bonus Ball draw.

The winter Live and Local performing arts programme has now been announced (see later in this magazine). In addition, there will be a quiz on October 1<sup>st</sup>.

Please consider the village hall as a venue for your children’s parties and other family events and keep an eye open for posters and on social media for other events and activities.

# Peggy Campion

## Oral History

collected by Irene Bell 28th February 2006

Miss Peggy Campion was born at 39 Main Street, the second child and first daughter of Charles Campion and his wife. Peter was the first child, then Peggy, then Tom and the baby of the family, Mary.

The house was owned by Peggy's Grandparents, mother and father of Charles, and they lived there all their lives, moving briefly to Farndon and then back to Coddington.

Sadly, Peggy's mother died of breast cancer when Peggy was only about 8 or 9 years old. There were no social services in those days and life was hard. Grandma had moved to a cottage at the end of Balderton Lane after the death of Grandfather, but called frequently to make a meal for the children. One of the most hated meals was rabbit brains on toast.

The house had no indoor plumbing, there was a lavatory at the bottom of the garden. There was an outhouse, called the scullery with a copper where the water was boiled and poured into the tin bath for the weekly bath night, scruffiest children in last. This was fine during the summer but in the winter the bath had to be brought indoors and other members of the family had to make themselves scarce!!!

Peggy's best friend was Mary Lamb, they played together and had many giggles! One very frosty day, walking up "Ducky Hill" (Chapel Lane) they saw a sixpence which had been frozen into the pavement. They were trying to pry it up from the frost when another friend Sylvia Burgess asked what they were doing. She announced that she had dropped a sixpence there the day before, but they said that they had just dropped it.

In 1937 there was a party for the village children to celebrate the coronation of King George the VI on Geeson's field. The children were asked that those born between certain years to step forward, others born in earlier years to step back. Peggy and Mary who could not stop giggling stepped the wrong way and were given a baby doll, far too young for them!

When Peggy was 12, Charles, who had had a succession of housekeepers to help with his motherless young children, employed Winnie, and then married her and they had two further children. Peggy loved her stepmother, who was loving and kind lady, she always called her Mum.

Charles was a foreman joiner and wheelwright at Ransome and Marles and obviously was very handy. He made a lavatory which although it was still outside, was joined to the house by the back door. Later he took a piece off

the largest bedroom and made it into a bathroom, just a bath and hand basin. Later still he took another slice off the same room and put in their first inside toilet.

Grandmother was a remarkable old lady. She lived until the age of 86 when she had a stroke. When she was young she travelled all around the world and had a passport dated 1889, which was in her maiden name of Eliza Cashley, signed by the Marquess of Salisbury. Nothing like our present day passports, it is a huge single sheet of flimsy paper.

The Campions had connections with the Thorpe family. Peggy thought that the house was originally owned by the Thorpes. Peggy's Aunt Annie, who was sister to her Grandfather, worked for the Thorpes as a governess. She went to their estate in Scotland and to their London home. She lived with them for the rest of her life and died in the London house.

39 Main Street had candles in most of the rooms, electric light in the main bedroom and the living room. The Derbyshire and Nottinghamshire Electric Power Company put up a pole in the corner of the road, taking a small corner of their garden, a letter dated 28th November 1935 offers the generous sum of 1 shilling.

The house had a large garden, there were no houses between the garden and Hall Farm. The eldest son Peter and his wife had emigrated to Australia and Charles decided to sell part of the land, where the two house now stand, to enable him to go to Australia to visit. The land sold in 1973 for the sum of £3000, but sadly Charles died some time later and never did get to Australia.

Peggy remembers going to the school in the present Scout Hall where she attended until she was 14. There were three teachers. Mr Fordham the head, Miss Gomer, who lived at Almond Cottage and Miss Backer the infant teacher. They were very nice and kind teachers, but Mr Fordham had to occasionally get out the slipper to the older naughty boys.

Opposite the church yard was a large field, which was the animal pound, There were no houses there. Peggy says the land belonged to the village but after Mr Taylor had all the old cottage knocked down, a house was built there now called the Pound House.

After Peggy left school, she went to Newark Technical College where she studied home economics, dressmaking and tailoring for two years. She worked for a bespoke Military Tailors in Newark, owned by Mr Richardson who lived on Beckingham Road. Often sewing the Gold Braid on to uniforms. She then moved to Moss Bros. in Nottingham.

She did not enter very much into the village activities, going regularly to church, and was a member of the youth club, which was run by Rev. Dight and his wife. They lived at The Gables. She was a member of the Guides run by Rene Daybell. Her sister Mary was a Sunday School teacher. She does remember the Youth Club putting on plays in the hall on the camp.

When the other children married and moved away, Peggy remained at home and looked after her father until he died, and now lives happily at The Ropewalk in Newark, but regularly attends All Saints Church Coddington.

***Thursday 24<sup>th</sup> November 2022 Bob Massey - Christmas Tales.*** Another returning speaker! Doubtless he will have amusing and interesting tales for us. **NOTE – 4<sup>th</sup> Thursday** (to avoid a clash with Rob Foxon at Newark Palace, he has occasionally poached some of our audience on previous occasions!)

## History Group News

In the March newsletter I reported that we had uploaded previous Coddington newsletters onto our website and made a plea for missing editions. I'm pleased to say a stash of them has been located and there are now 91 pre-Dec 2013 editions available on the website ([www.coddington.org.uk](http://www.coddington.org.uk)) dating back to 1985 - but there are still some missing (notably Issue No 1 - likely to have been 'published' sometime in the last quarter of 1984). Many thanks to our Milton Keynes member Paul Birkett for more sterling work scanning and uploading them – a tedious task! He was distracted by interesting articles whilst scanning so perhaps we will reproduce a selection here in due course. Copies since December 2013 are archived on the Parish council website.

## **Coddington Community Centre**

Hello everyone,

I would like to start by welcoming Sally Briggs-Price to our team. Sally has taken over from Marion and looks after our bookings along with other duties to help with the smooth running of the Community Centre.

The trustees thank Maion for her years of service to the Community Centre and wish her well for the future.

The fence which collapsed during the winter storms has now been replaced. We will be looking to replace the fence on the other side of the school access bridge next year as it is also beginning to fail.

The rain water harvesting tanks have been removed and the toilets are now on mains water. Once the tanks had been removed the increased water pressure identified a poor connection in the water pipes which needed to be repaired.

We are looking to expand our trustees with more active members who will look after some grounds maintenance and opening up duties in addition to the regular meetings. We are exploring ways to save money while providing a venue that attracts business, help is needed to research these projects.

If you would like to know more please contact me on the number below.

The Newark and Sherwood District Council lottery is another way you can help support us. By having a ticket you have the opportunity to win a prize and support us at the same time.

The website for the Council Lottery is

## News of Village Hall Events

Firstly to report that our first “Table Top” sale in July was fairly successful, a good selection of goods for sale including plants, jewellery, cards and flowers - not forgetting the cakes of course. Many thanks to those who kindly made cakes for the Village Hall table and also to those serving the refreshments.

Several of the stall holders expressed interest in making it a fairly regular event so we are arranging a **Christmas Fair** in November – see separate announcement.

The next event will be a **Quiz** on **Saturday October 1<sup>st</sup>** – again, see details elsewhere in this newsletter and of course posters on the village notice boards nearer the time.

On Saturday **8<sup>th</sup> October** Lynn Norris is holding an **Art Workshop**, for further information and to book please see [www.lynnnorris.co.uk](http://www.lynnnorris.co.uk) or contact Lynn: Mobile 07738 939477 or email [lynn.norris@talktalk.net](mailto:lynn.norris@talktalk.net). Note that she also has regular weekly classes on Friday mornings.

Next - advance notice about **Live and Local** events.

**Thursday 8<sup>th</sup> December** we welcome **Jez Lowe and the Bad Pennies** with “That Snow Joke”. Jez is well known and popular, hence the advance notice – don’t be too late booking seats, he last visited us in 2017 with “Yule Do”, you can tell from the titles that you’ll be in for an amusing evening with a very personable entertainer. See separate page for more details.

Lastly, dates for your next year’s diary or calendar:

**Friday 20<sup>th</sup> January**, we have “**Shakespeare’s Fool**” from Tortive Theatre; A brilliant show telling the story of Will ‘Cavaliero’ Kempe – one of the finest performers of the Elizabethan age.

**Sunday 26<sup>th</sup> February** “**Despite Everything, Price Still Includes Biscuits**”. A fine satirical show from Naomi Paul - a terrific deadpan Jewish humourist. Topical stories, Victoria Wood-style comic songs and short conversational ‘biscuit breaks’.

We are extremely proud that one of our former Beavers, Cubs and Scouts at 1st Coddington Scout Group has been selected as one of the UK contingent who will travel to the World Scout Jamboree in South Korea in 2023.

Jayan is currently an Explorer with Newark Raptors as well as a young leader with our Scout Troop and is working towards his Bronze DofE. He is one of only 3,240 young people from the UK who will join 50,000 young people from almost every nation on earth in South Korea.

We will be organising some fundraising activities in the coming months to help Jayan achieve his goal of raising £3600 so please keep an eye out for those.

In the meantime, if you would like to read more about Jayan, the World Jamboree or donate you can do so by visiting the website page below...

## **‘BE IN IT - TO WIN IT’**

# *Jez Lowe and the Bad Pennies*

*With "That Snow Joke"*

*Thursday 8<sup>th</sup> December 2022, 7:30pm*

*The rural and community touring scheme for Nottinghamshire features high quality professional dance, drama and music from the best in national and international touring companies and performers.*

It seems very odd to write this in August but....

Songs and festive cheer from the North with Jez Lowe and the Bad Pennies and Benny Graham. You'll get good humour and music from top class musicians who have been taking a feel good Christmas tour to packed houses around the country for over a decade.

Jez Lowe's annual Christmas tour has become quite a tradition in recent years, striking out from his native North East England to entertain audiences across the whole of the UK. Award winning songwriter Jez Lowe will be joined by his intrepid touring band so expect a musical feast of guitar, cittern, fretless bass, fiddle, melodeon, piano, whistles and their trademark harmony vocals!

And this year, the band once again invites special guest Benny Graham - actor and balladeer - to share the music, merriment and mirth of Christmas. Part folk concert, part music-hall revue. Sing along, laugh along and drive the cold winter away.

Jez has 30 years' experience of touring internationally and his songs have been featured in projects for The National Theatre and BBC Radio 2 among many others as well as his work as a presenter for BBC Radio 4.

**Tickets £12.50 purchased in advance only. Juniors £6.**

Available from Isobel Turner (708781) and Phil Waller (701013)

Doors open 7pm. Tea, coffee and juice will be available at the interval, or bring something stronger if you wish.

During the Pandemic and lockdowns, the Medical Centre remains open for our core NHS services, sadly non-NHS services and non-essential, i.e. Health Checks, Minor Ops and Travel Advice are suspended. We are currently operating a telephone appointment service where we ask a clinician to call you. Please do not attend the surgery unless you are invited by a clinician to do so, as we are staggering appointments throughout the day and different zones of the building to work in a COVID safe way. Please post Repeat slips and mail in our external letter box. Thank you.

Collingham Medical Centre has agreed to help support COVID booster vaccinations alongside the mass vaccination sites and pharmacies in Nottinghamshire for the Newark PCN and communities. We aim to deliver a large part of this campaign at weekends in order not to disrupt your general practice services during the working week.

Our communication with patients relies on current information. If your personal details change, including telephone numbers, please let the practice know. Thank you.

Out of Hours Service is provided from 111 when the surgery is closed.

### Section News

Our **Beaver** colony has had a very exciting few months. They have been to visit the Fire Station, Newark Air Museum, taken part in a mini-Commonwealth Games and had a splashing time at a water fun afternoon in Lincoln.

The **Cubs** have honed their navigation skills, visited the Air Museum, been on a hike, completed a litter pick locally as well as an afternoon of water sports. Cubs have also worked incredibly hard to create our Jubilee Garden including digging a wildlife pond.

**Scouts** have been learning knife safety and using them to whittle sticks, they have created self-extinguishing fires and volunteered to clear the gardens at Barnby Church as well orienteering at Sherwood Pines. Scouts also had a fantastic time at Lincoln Water Park!

Looking ahead, all sections are looking forward to our Group Camp at Walesby in September!

### Waiting List

We are expecting unprecedented demand for places in all of our sections and are currently operating a waiting list. If you wish your child to join the Scout Group, now or in the future it is important to get their details registered as soon as possible.

Details of how to do so can be found on our website.

## Hire our Scout Hall

With our newly refurbished toilets, large hall, reception area, updated kitchen and our large floodlit garden available for your exclusive use, have you considered hiring the Scout Hall?

We have hosted a number of birthday parties in the last few months, have our own disco lights and have had both indoor and outdoor bouncy castles. We also have plenty of tables and chairs. ## **CODDINGTON W.I.**

Our May meeting combined our usual meeting and our Annual General Meeting. Each area of the country sends a delegate to our national AGM, and this year our delegate attended virtually. Members voted unanimously to have our delegate vote in favour of the resolution, 'to help girls and women with ASD and ADHD'. Our hope being that if the resolution was passed it would be easier for girls and women to be diagnosed and supported. On the day, the resolution was passed, and at the June meeting the Secretary read the delegate's report.

We are currently collecting items to send to the Ukraine, one of our members acting as a conduit to get the items to their destination. It's amazing how much we had at home and good to know that these items could be used to help in a country that has become a battle zone.

There is something for almost everyone at the WI, and May was no exception, with the monthly walk followed by a pub lunch and a walking holiday on the cards. Incidentally, all our walks and trips are open to members of other WI's, friends and partners.

It was decided to hold a monthly coffee morning so that we could chat, and so that new members could get to know those of us who are old hands. The first coffee morning at The Inn on the Green, was very successful.

The AGM looked at the yearly accounts prepared by the Treasurer, a Financial Report, Trustees' Report, President's Report and nominations for President and committee members, all, of course, finished off with tea, coffee and cakes!

At our June meeting our new President, Gill Southgate, called for a one-minute silence for members who had died during the pandemic. She also thanked Pat Hemingway for performing the Christmas entertainment and Joyce Allen for always being available to play the piano.

Andrew Barber spoke about beekeeping and brought along some bees and some jars of honey. Thank- you Andrew, the honey is delicious! We rounded off the meeting with a toast to the Queen to celebrate her jubilee and by singing the National Anthem.

We also managed to fit in a trip to Sandringham, helped organise the Well Green jubilee tea and took part in the WI County Quiz.

July's speaker was from the NGS, recounting the history of the National Gardens Scheme and telling us of the plethora of gardens that are available for us to see. Something to consider for a future WI trip.

If you'd like to come to one our meetings, to see if the WI is for you, just turn up on the second Tuesday of the month at 2pm at the Village Hall and give us a try. You'll get a very warm welcome.
